1 **I. BACKGROUND**

2 1. The California Department of Toxic Substances Control (“DTSC”) and the Toxic
3 Substances Control Account (collectively “Plaintiffs”) filed a complaint (“Complaint”) against a
4 number of defendants in the United States District Court for the Eastern District of California
5 (the “Court”), pursuant to the Comprehensive Environmental Response, Compensation and
6 Liability Act (“CERCLA”), 42 U.S.C. §§ 9601 et seq., and the Resource Conservation and
7 Recovery Act (“RCRA”), 42 U.S.C. §§ 6901 et seq., in connection with the Panoche Facility,
8 located at 2251 Lake Herman Road, Benicia, California 94510 (Solano County Parcel Nos. 181-
9 270-01, 181-270-05, and 181-240-05) (“Facility”).

10 2. The Facility is a closed landfill. During its period of operations, IT Corporation
11 owned the Facility and operated a Class I hazardous waste treatment and disposal landfill at the
12 Facility. IT Corporation obtained a closure certification for the landfill on March 27, 2003. The
13 Facility transitioned to post-closure status pursuant to a Hazardous Waste Facility Postclosure
14 Permit, issued by DTSC on June 20, 2003, under United States Environmental Protection
15 Agency Identification Number CAD000060012. *See* Cal. Health & Safety Code §§ 25245-
16 25248.

17 3. On January 16, 2002, IT Corporation filed a voluntary petition for relief under
18 Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the
19 District of Delaware (Case No. 02-10118). On April 5, 2004, the Bankruptcy Court approved the
20 proposed plan and order confirming creation of the IT Environmental Liquidating Trust
21 (“ITELT”), which is to operate pursuant to the IT Environmental Liquidating Trust Agreement.
22 On May 1, 2004, ITELT became the operator of the Facility and permittee on the Permit. IT
23 Lake Herman Road, LLC, is listed on the Permit as the Facility owner. Under the Permit and
24 California law, including the California Hazardous Waste Control Law, Cal. Health & Safety
25 Code §§ 25100 et seq. (“HWCL”) and implementing regulations, ITELT is required to obtain and
26 maintain sufficient financial assurance relating to the required post-closure activities for the
27

Facility. *See* Cal. Health & Safety Code § 25245(a)(2); Cal. Code Regs. tit. 22, § 66264.145(e)(3).

4. ITEL submitted a renewal application for the Permit on December 20, 2012. The Permit has an expiration date of June 20, 2013, however, pursuant to California Health and Safety Code § 25200(c)(1)(B), the Permit remains in effect until the renewal application is either issued or denied by DTSC. On January 18, 2013, DTSC informed ITEL that the Permit renewal application was administratively complete and began a detailed technical review.

5. On February 29, 2016, DTSC issued a Summary of Violations (“SOV”) for the Facility to ITEL stating that ITEL was in violation of California Code of Regulations title 22, § 66264.145(e)(3), in that the amount submitted to demonstrate financial assurance for the Facility’s post-closure activities was less than the post-closure cost estimate, and specifically directed it to address the alleged violation. DTSC asserted that ITEL’s financial assurance coverage was underfunded in the amount of \$7,501,025.75.

6. On April 5, 2016, ITEL informed DTSC that it had no additional financial assets or mechanisms in place to meet the required financial assurance obligations.

7. On July 28, 2016, DTSC sent correspondence to ITEL indicating that it recalculated the financial assurance shortfall to be \$25,346,588. DTSC also stated that it reserved the right to revise this amount based upon new cost estimates for 30 years of post-closure operations and maintenance.

8. On November 29, 2016, DTSC issued an Imminent and Substantial Endangerment Determination and Order; and Remedial Action Order (“Order”) to certain Settling Defendants (defined in Section IV) and other entities (In re Panoche Facility, DTSC Docket No. HSA-FY 16/17-050). DTSC issued three subsequent amendments to the Order, and the Order together with the amendments are collectively referred to herein as the “ISE Order.” At the January 12, 2017, IT Landfills Information Meeting, DTSC informed Settling Defendants and other entities that ITEL had limited resources to conduct post-closure operations, and, accordingly, DTSC was requesting that the Settling Defendants and other entities named in the

1 ISE Order fund the ongoing operations and maintenance and provide financial assurance for
2 post-closure activities relating to the Facility.

3 9. On June 1, 2021, the IT Sites Cooperating Generators Joint Defense Group, a
4 California unincorporated association, of which Settling Defendants are members, filed a
5 Verified Petition for Peremptory Writ and Writ of Mandate and Complaint for Declaratory Relief
6 and Injunction against DTSC in Case No. FCS056611 in Superior Court of the State of
7 California, Solano County (“Writ Action”). The Writ Action challenges the ISE Order for the
8 Panoche Facility, as well as the imminent and substantial endangerment orders for three other
9 former IT Corporation landfill facilities (referred to as the Benson Ridge Facility, the Vine Hill
10 Complex, and the Montezuma Hills Facility).

11 10. On September 24, 2021, Plaintiffs filed the Complaint for Recovery of Response
12 Costs and Declaratory Relief, initiating this action. On March 29, 2022, Plaintiffs filed the First
13 Amended Complaint for Recovery of Response Costs and Declaratory Relief and Abatement of
14 Imminent and Substantial Endangerment, which Complaint was again amended in connection
15 with the lodging of this Consent Decree to name additional defendants (collectively, “Amended
16 Complaint”).

17 11. Since the issuance of the ISE Order, DTSC and Settling Defendants have engaged
18 in negotiations to resolve the alleged liability of the Settling Defendants for this action and with
19 respect to the ISE Order.

20 12. Settling Defendants do not admit any liability arising out of the transactions or
21 occurrences alleged in the Amended Complaint or ISE Order, nor do they acknowledge that any
22 release or threatened release of hazardous substances at or from the Facility has occurred or
23 constitutes an imminent and substantial endangerment to public health or welfare or the
24 environment. DTSC does not admit any liability or wrongdoing arising out of the allegations
25 alleged in the Writ Action.

26 13. This Consent Decree embodies the settlement of disputed claims reached between
27 Plaintiffs and Settling Defendants. Entry of this Consent Decree shall result in: (1) settlement

1 and resolution of Settling Defendants' liability for DTSC's claims alleged in the Amended
2 Complaint; (2) DTSC's amendment of the ISE Order to remove Settling Defendants as
3 respondents; and (3) voluntary dismissal of the Writ Action.

4 14. The Parties agree that this Consent Decree has been negotiated by the Parties in
5 good faith, settlement of this matter will avoid expensive, prolonged, and complicated litigation
6 between the Parties, and this Consent Decree is fair, reasonable, in the public interest, and
7 consistent with the purpose of CERCLA.

8 15. The Parties present this Consent Decree to the Court for approval and entry as a
9 Decree.

10 16. The Parties consent to, and shall not challenge entry of this Consent Decree or
11 this Court's jurisdiction to enter and enforce this Consent Decree.

12 17. Upon approval and entry of this Consent Decree by the Court, this Consent
13 Decree constitutes a final judgment between and among the Parties.

14 THEREFORE, the Court, with the consent of the Parties to this Consent Decree, hereby
15 ORDERS, ADJUDGES, AND DECREES, as follows:

16 **II. JURISDICTION**

17 18. This Court has jurisdiction over the subject matter of this action pursuant to 28
18 U.S.C. § 1331, 42 U.S.C. § 9613(b), and 42 U.S.C. § 6972(a). Solely for the purposes of this
19 Consent Decree and the Amended Complaint, Settling Defendants waive all objections and
20 defenses they may have to the jurisdiction of the Court or to venue in this District. Settling
21 Defendants shall not challenge the terms of this Consent Decree or this Court's jurisdiction to
22 enter and enforce this Consent Decree.

23 19. The Court shall retain jurisdiction over this matter for the purpose of interpreting
24 and enforcing the terms of this Consent Decree.

1 **III. PARTIES BOUND**

2 20. Except as otherwise set forth herein, this Consent Decree is binding upon and
3 inures to the benefit of Plaintiffs and the Settling Defendants and their heirs, successors, and
4 assigns.

5 21. Any change in ownership or corporate status of a Settling Defendant, including,
6 but not limited to, any transfer of assets or real or personal property, shall in no way alter such
7 Settling Defendant's responsibilities under this Consent Decree.

8 **IV. DEFINITIONS**

9 22. All terms used in this Consent Decree that are defined in Section 101 of
10 CERCLA, 42 U.S.C. § 9601, have the same meaning set forth in that Section. Additionally,
11 terms used in this Consent Decree that are defined in the QSF Agreement, which is attached
12 hereto as Appendix B, have the same meaning as set forth in the QSF Agreement. Otherwise, the
13 following terms have the following meanings:

14 A. "2004 Consent Order" means the consent order entered into between
15 DTSC and ITFLT in 2004 in *In re IT Environmental Liquidating Trust*, Docket No. HWCA P1-
16 03/04-011.

17 B. "Affiliates" means any parent, subsidiary, division, sister-company, and
18 other business entities that are PRPs at the Facility for whose Database tonnage a Settling
19 Defendant is settling as set out in Appendix A-1 and Appendix A-3. Affiliates excludes any entity
20 that meets all of the following: (1) it is not listed in Appendix A-1 or A-2; (2) it is not listed in
21 the transaction report provided to DTSC on or about July 20, 2023, for the Settling Defendants;
22 and, (3) it is not listed as a generator in the Database.

23 C. "Cashout Parties" means the entities listed in Appendix A-2, and any of
24 their Affiliates.

25 D. "CERCLA" means the Comprehensive Environmental Response,
26 Compensation and Liability Act, 42 U.S.C. §§ 9601 et seq.

1 E. "Database" means the waste-in database that was prepared by the Settling
2 Defendants' database consultant, which was previously reviewed and accepted by DTSC for
3 purposes of this settlement. The Database includes liquid waste hauler records and manifests
4 documenting shipments of materials to the Facility.

5 F. "DTSC" means the State of California Department of Toxic Substances
6 Control.

7 G. "DTSC Future Response Costs" means costs recoverable under Section
8 107(a) of CERCLA, 42 U.S.C. § 9607(a) and/or under section 25360 of the California Health
9 and Safety Code incurred by DTSC after December 31, 2022: (i) required to address alleged non-
10 compliance with the Consent Decree; (ii) in connection with a work takeover pursuant to
11 Section IX.31(Work Takeover Determination); and (iii) pursuing recoveries from Non-Settlers.

12 H. "DTSC Past Response Costs" means \$619,865.90 allocated to this
13 Facility. This amount is the result of a compromise reached between the Parties and covers all
14 costs of response recoverable under Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), and all
15 costs recoverable under section 25360 of the California Health and Safety Code, through
16 December 31, 2022, including all those costs reflected in the documentation provided to the
17 Settling Defendants on March 7, 2023, as support for DTSC's past cost claim in connection with
18 the Facility.

19 I. "Consent Decree Effective Date" means the date upon which this Consent
20 Decree is entered by the Court as recorded on the Court docket, or if the Court instead issues an
21 order approving the Consent Decree, the date such order is recorded on the Court docket.

22 J. "Facility Operator" means the current operator, ITELT, and any future
23 operator of the Facility, as the term "operator" is defined under California Code of Regulations
24 title 22, § 66260.10.

25 K. "Facility Owner" means IT Lake Herman Road, LLC and any future
26 owner of the Facility, as the term "owner" is defined under California Code of Regulations title
27 22, § 66260.10.

1 L. “Facility Operator Costs” means any costs incurred by the Facility
2 Operator in connection with or associated with the Facility Operator Work, including, but not
3 limited to, field work, management, administration, accounting, reporting, insurance, costs of
4 financial assurance mechanisms, recordkeeping, permitting, Permit Fees, taxes, dispute
5 resolution costs, legal fees and costs, and/or penalties for violations of laws and regulations that
6 occur after the Consent Decree Effective Date. Among other things, Expenses and Contingencies
7 are intended to cover any and all Facility Operator Costs (as such terms are defined in the QSF
8 Agreement).

9 M. “Facility Operator Work” means all activities, including, but not limited
10 to, all associated administrative record keeping and reporting actions, required to comply with
11 the Permit, the 2004 Consent Order, and applicable regulations and statutory requirements for
12 post-closure and/or corrective action with respect to the Facility, as each is amended over time.
13 In the event the Permit is amended and supersedes and terminates the 2004 Consent Order for the
14 Facility (which will occur if a new Facility Operator is put in place who does not consent to
15 assignment of the 2004 Consent Order for the Facility). Facility Operator Work will mean all
16 activities required to comply with the Permit and applicable regulations and statutory
17 requirements for post-closure and/or corrective action with respect to the Facility, as each is
18 amended over time.

19 N. “Fiscal Year” means the twelve-month period beginning September 1 each
20 year and ending August 31 each year (or as otherwise agreed by DTSC and the Participating
21 Parties).

22 O. “Financial Assurance” means a demonstration by the Facility Operator to
23 DTSC of financial assurance, using any of the options listed in California Code of Regulations
24 title 22, § 66264.145 and any then-existing regulations, both (i) for post-closure care in
25 accordance with the approved post-closure plan including amendments to that plan made during
26 any renewal, reissuance, or modification of the Permit, and (ii) in amounts sufficient to enable
27

DTSC to renew, reissue, or modify the Permit consistent with California Health and Safety Code § 25205 and any then-existing statutes and regulations relating to financial assurance.

P. “ITELT’s Post-Closure Insurance” means the two insurance policies issued by American International Specialty Lines Insurance Company to IT Corporation to provide financial assurance for closure and post-closure for, among other sites, the Facility, including Policy 4762403 and Policy 4760892.

Q. “Non-Settlor” or “Non-Settlers” means those PRPs that are not Parties to this Consent Decree.

R. “Non-Qualified Settlement Fund” or “Non-QSF” means a fund or account that shall be established by the Participating Parties pursuant to this Consent Decree to hold and disburse, in accordance with the QSF Agreement, any Settlement Funds received in connection with this Consent Decree that cannot be placed into the QSF, including, but not limited to, revenue generated at the Facility as applicable, together with any investment returns on such Non-QSF funds.

S. “Participating Parties” means the entities listed in Appendix A-1, and any of their Affiliates.

T. “Participating Parties Work” means the obligations Participating Parties are required to perform as set forth in Section VI.24.C

U. “Parties” means Plaintiffs and Settling Defendants. Each individually is referred to as a “Party.”

V. “Permit” means the HWCL Hazardous Waste Facility Postclosure Permit for the Facility, CAD 000060012, issued on June 20, 2003, and any subsequent amendments, modifications, and renewals of the Permit.

W. “Permit Fees” means the Permit fees or other charges charged by DTSC, after the Consent Decree Effective Date, in accordance with California Health & Safety Code § 25205.2(d), § 25205.7, and the definitions and procedures set forth in §§ 25206.1 through

25206.4 and any other then-existing statutes and regulations that address the recovery of fees or costs incurred for permitting of the Facility Operator Work.

X. “Plaintiffs” means DTSC and the Toxic Substances Control Account.

Y. “PRPs” means persons that are potentially covered persons under CERCLA Section 107(a)(1)-(4), 42 U.S.C. § 9607(a)(1)-(4).

Z. “Qualified Settlement Fund” or “QSF” means the settlement fund for the Facility, which shall be established by the Participating Parties pursuant to this Consent Decree and governed by the QSF Agreement (Appendix B hereto), the terms of which are made part of and incorporated into this Consent Decree and therefore binding on all Parties.

AA. “RCRA” means the Solid Waste Disposal Act, 42 U.S.C. §§ 6901 et seq. (also known as the Resource Conservation and Recovery Act).

BB. “Settling Defendants” means the Cashout Parties and Participating Parties. Each individually is referred to as a “Settling Defendant.”

CC. “Settlement Funds” means the funds for the Facility in the Qualified Settlement Fund and those in the Non-Qualified Settlement Fund.

DD. “Settlement Funds Manager” means the financial institution, selected and authorized by the Participating Parties, with the written consent of DTSC (whose consent will not be unreasonably withheld or delayed), to hold, manage, invest, and administer Settlement Funds (and as such term is further defined in the QSF Agreement).

V. STATEMENT OF PURPOSE

23. The objectives of the Parties in entering into this Consent Decree are to protect public health and welfare and the environment, to assure adequate funding to perform the Facility Operator Work, to settle Plaintiffs’ claims against Settling Defendants alleged in the Amended Complaint, and to resolve the claims of Settling Defendants against DTSC in the Writ Action.

VI. OBLIGATIONS OF PARTICIPATING PARTIES

24. Obligations of Participating Parties:

1 A. The obligations of Participating Parties under this Consent Decree are
2 joint and several. In the event of the insolvency of any Participating Party or the failure of any
3 Participating Party to implement any requirement of this Consent Decree, the remaining
4 Participating Parties must complete all such requirements.

5 B. Participating Parties' obligations under this Consent Decree are
6 independent of and unaffected by any nonperformance by Cashout Parties and Non-Settlors and
7 remain in full force and effect regardless of whether Cashout Parties have complied with their
8 obligations under this Consent Decree.

9 C. Performance of the Participating Parties Work. Participating Parties must:

10 1. Except as otherwise provided in Section IX.31(Work Takeover
11 Determination), assure a Facility Operator is in place to perform the Facility Operator Work, on a
12 continuous basis during the term of this Consent Decree;

13 2. Starting no later than one hundred twenty (120) days from the
14 Consent Decree Effective Date, demonstrate adequate and available funding for the initial
15 Financial Assurance amount set forth in Appendix D meeting the requirements set forth in
16 California Code of Regulations title 22, § 66264.145 or any then-existing regulations. When the
17 Financial Assurance amount is re-evaluated by DTSC per a permit renewal or otherwise, the
18 Participating Parties shall demonstrate adequate resources and available funding for the updated
19 Financial Assurance amount calculated as specified in Appendix D within forty-five (45)
20 calendar days of DTSC's technical completeness letter or its equivalent.

21 3. Assure that an appropriate Settlement Funds Manager is in place to
22 (a) manage the Settlement Funds for the Facility, (b) oversee the appropriate distribution of funds
23 from the Settlement Funds for the Facility, consistent with the requirements of this Consent
24 Decree, and (c) complete reporting, tax and other filings, and other such matters as required for
25 the management and administration of the Settlement Funds for the Facility in accordance with
26 the QSF Agreement (Appendix B); and
27

1 4. Make payments into the QSF and report to DTSC in accordance
2 with the QSF Agreement (Appendix B).

3 D. Performance of the Facility Operator Work. If the Participating Parties
4 elect to perform the Facility Operator Work, Participating Parties must perform the Facility
5 Operator Work on a continuing basis until a replacement Facility Operator is put in place and
6 performs the Facility Operator Work pursuant to the terms of this Consent Decree. The
7 Participating Parties' performance of Facility Operator Work does not relieve the Participating
8 Parties from the obligation to complete the Participating Parties Work or any other obligations
9 required by the Consent Decree.

10 E. Establishment of QSF. Participating Parties must establish a QSF and a
11 Non-QSF (both of which shall be governed by the QSF Agreement attached as Appendix B)
12 within sixty (60) calendar days after the Consent Decree Effective Date. Before establishing the
13 QSF, DTSC must approve the Settlement Funds Manager. DTSC's approval shall not be
14 unreasonably withheld and must be provided within fifteen (15) calendar days after the
15 Settlement Funds Manager is proposed by the Settling Defendants or as soon as reasonably
16 possible thereafter. The management of Settlement Funds must be in accordance with the QSF
17 Agreement. Payment of money into the QSF is not a fine, penalty, or monetary sanction.
18 Further, the Settlement Funds Manager shall administer the money in the QSF only for the
19 enumerated purposes under this Consent Decree as set forth in the QSF Agreement.

20 F. Initial Payment into the QSF by the Participating Parties. In consideration
21 of the terms of this Consent Decree, the Participating Parties must make a combined payment
22 into the QSF or into an escrow account, if the QSF has not yet been established, of
23 \$2,000,000.00 (Two Million Dollars) within ninety (90) calendar days of the Consent Decree
24 Effective Date. The Participating Parties may make additional financial contributions to the QSF
25 at their own election. The manner in which the Participating Parties allocate this initial payment,
26 or subsequent payments, among themselves is solely within their discretion and does not modify
27 or affect the obligations of the Participating Parties under this Consent Decree.

//

//

G. True-Up Payments.

1. Annual True-Up Obligation: If the (i) Non-Principal plus cumulative Net ROI (both as defined in the QSF Agreement) is less than the (ii) annual Expenses (as defined in the QSF Agreement) budgeted for the upcoming Fiscal Year based on the annual budget for the Facility Operator Work including budgeted reimbursement requests by DTSC or the Participating Parties as described in Section VIII.28.A of this Consent Decree, the Participating Parties must pay the difference into the QSF as set forth in the QSF Agreement. The QSF becomes available to pay costs authorized by DTSC, as set forth herein and in the QSF Agreement, after ITILT's Post-Closure Insurance for the Facility is depleted.

2. Annual Principal Replenishment Obligation: The Participating Parties must make annual replenishment payments into the QSF equal to the total disbursements from the QSF that are applied to Principal for Contingencies over the past Fiscal Year. Annual Principal Inflation Adjustments shall be calculated as though no disbursements or corresponding replenishment payments were applied to Principal.

3. Settlement Funds Relative to Principal: At the end of the fifth (5th) Fiscal Year, and once every five (5) Fiscal Years thereafter, the Participating Parties shall compare the combined balance of the Settlement Funds to the Principal amount and provide in writing those values and underlying supporting information to DTSC. If, as of the end of that Fiscal Year, the balance of the Settlement Funds is less than the Principal amount (including the amounts paid into the Principal and the cumulative Principal Inflation Adjustment as defined in the QSF Agreement), the Participating Parties must pay the difference into the QSF.

4. True-Up and Replenishment Payments: The calculations as to the amounts Participating Parties must pay into the QSF as set forth in Paragraph VI.24.G.1 (Annual True-Up Obligation), VI.24.G.2 (Annual Principal Replenishment Obligation), and VI.24.G.3 (Settlement Funds Relative to Principal) of this Section shall be made by the Participating Parties

1 based on information provided by the Settlement Funds Manager in accordance with the QSF
2 Agreement. If DTSC and the Participating Parties agree as to an alternative calculation for
3 purposes of the annual true-up obligation, the annual Principal replenishment obligation, or
4 Settlement Funds relative to Principal, the agreed-upon calculations shall be used. If DTSC and
5 Participating Parties disagree as to the calculations, including disputing the accuracy or validity
6 of the Settlement Funds Manager's information, the issue may be resolved pursuant to the
7 dispute resolution process set out herein in Section XIV.42. If the Parties are unable to reach a
8 resolution by December 1st of any Fiscal Year regarding the amount of any annual true-up
9 obligation or annual Principal replenishment obligation pursuant to the dispute resolution
10 procedure set forth in Section XIV, the Participating Parties must pay DTSC's determination of
11 the annual true-up obligation and/or annual Principal replenishment obligation, as applicable,
12 into the QSF. If, after resolution, the Participating Parties' annual true-up obligation and/or
13 annual Principal replenishment obligation, as applicable, is eliminated or reduced, Participating
14 Parties may submit a request for reimbursement of that amount from the QSF to DTSC for
15 approval. DTSC shall promptly submit a Disbursement Authorization in that amount to the
16 Settlement Funds Manager.

17 H. Payment of DTSC's Future Response Costs. DTSC's Future Response
18 Costs shall be paid from either the Non-QSF or QSF as set forth in Section X (Reimbursement of
19 DTSC Costs).

20 I. Payment for DTSC Past Response Costs. DTSC Past Response Costs
21 must be reimbursed as follows:

22 1. First Payment. Participating Parties must pay \$232,449.71 to
23 DTSC within sixty (60) calendar days after the Consent Decree Effective Date or by January 31,
24 2024, whichever is later.

25 2. Second Payment. The Settlement Funds Manager shall pay the
26 second payment, pursuant to a fully executed Disbursement Authorization from DTSC in
27 accordance with the QSF Agreement, in the amount of \$387,416.19 minus the amount of DTSC

1 Past Response Costs the Cashout Parties have paid into the QSF within two (2) years after the
2 Consent Decree Effective Date. The second payment shall be paid to DTSC from the Non-QSF
3 and/or QSF within two (2) years after the Consent Decree Effective Date. If the amount
4 available in the Settlement Funds other than the Principal is not sufficient to timely make the
5 second payment, the Participating Parties must make a payment into the QSF in an amount
6 sufficient to pay DTSC for this second payment, no later than thirty (30) days after the end of the
7 two (2) year period after the Consent Decree Effective Date.

8 3. The above-referenced payments must be made by check payable to
9 “Department of Toxic Substances Control” and bearing on its face the project code for the
10 Facility (Facility Code Number 200175-00) and Case No. 2-21-cv-01739 and mailed to DTSC
11 either by Federal Express or U.S. Mail as follows:

12 If sent by Federal Express:
13 Department of Toxic Substances Control
14 Attn: Cristina Panainte
15 1001 I Street, 21st Floor
16 Sacramento, CA 95812
17 Ph: (916) 327-1189

18 If sent by U.S. Mail:
19 Department of Toxic Substances Control
20 PO Box 806
21 Sacramento, CA 95812

22 **VII. OBLIGATIONS OF CASHOUT PARTIES**

23 25. Payment by Cashout Parties:

24 A. In consideration of the terms of this Consent Decree, each of the Cashout
25 Parties must make payments into the QSF within sixty (60) calendar days from the Consent
26 Decree Effective Date or by January 31, 2024, whichever is later, and in the amounts set out in
27 Appendix A-3, the Cashout Schedule, as determined by Appendix C, attached hereto, the
Payment Calculator for Cashout Parties. Such funds shall be deposited into the QSF, in
accordance with the QSF Agreement, or, if the QSF has not yet been established, into an escrow
account until the QSF is established.

1 B. Evidence of payment of these required amounts by Cashout Parties must
2 be provided to DTSC either by the Participating Parties or by any escrow agent charged by any
3 Cashout Parties to transfer such payments to the QSF.

4 26. QSF Payment Instructions. Payments must be made electronically or by check(s)
5 made out to the escrow account or Settlement Funds Manager for ultimate deposit only to the
6 Facility's QSF sub-account, identified by name and number, identifying the payer and type of
7 payment as "Cashout Party." Notification of deposits must be provided within thirty (30)
8 calendar days after the payment is made by the escrow manager or Settlement Funds Manager to
9 DTSC and identified with the relevant account name and number.

10 **VIII. FACILITY OPERATOR WORK AND FUNDING AND REIMBURSEMENT FOR**
11 **FACILITY OPERATOR WORK**

12 27. The Facility Operator will implement all the Facility Operator Work under the
13 oversight of DTSC.

14 28. The following procedure will be used for budgeting and funding of the Facility
15 Operator, unless DTSC initiates a work takeover of the Facility Operator Work pursuant to
16 Section IX.31 (Work Takeover Determination) or the procedure is modified by agreement of the
17 Parties:

18 A. No later than March 1st of each year (or as otherwise agreed by DTSC and
19 the Participating Parties), (a) the Facility Operator will submit to DTSC and the Participating
20 Parties a draft annual budget for the Facility Operator Costs (including Expenses and
21 Contingencies, as appropriate) for the upcoming Fiscal Year, (b) Participating Parties will submit
22 to DTSC a draft annual budget for the upcoming Fiscal Year for reimbursement of costs incurred
23 pursuing Non-Settlers, (c) DTSC will submit an estimate of its Future Response Costs that have
24 been incurred but not yet reimbursed and for which DTSC anticipates submitting for
25 reimbursement in the upcoming Fiscal Year, and (d) the Settlement Funds Manager will submit a
26 draft annual budget to DTSC and the Participating Parties for the upcoming Fiscal Year for the
27 costs for administration of the Settlement Funds and taxes imposed on the Settlement Funds, if

any. As feasible, and for informational purposes only, the Facility Operator will also identify long-term maintenance items planned for the next five (5) years, with cost estimates if available. Participating Parties will combine the budgets submitted pursuant to (a), (b), (c), and (d) into a consolidated draft annual budget and provide it to DTSC.

B. Within two (2) months of receipt of the draft consolidated annual budget, DTSC and the Participating Parties shall provide any comments on the consolidated annual budget and shall address any disputes within four (4) months thereafter pursuant to the dispute resolution procedure set forth in Section XIV. If the Parties are unable to finalize a consolidated annual budget pursuant to the dispute resolution procedure by December 1st and the Participating Parties would have a true-up obligation, as set forth in Section VI.24.G.1 (Annual True-Up Obligation) based on DTSC's determination of that obligation, Participating Parties must pay the true-up obligation established by DTSC. If, after resolution, the Participating Parties' true-up obligation is eliminated or reduced, Participating Parties may submit a request for reimbursement of that amount from the QSF to DTSC for approval. DTSC shall promptly submit a Disbursement Authorization in that amount to the Settlement Funds Manager.

C. An annual consolidated budget shall be finalized before the start of each Fiscal Year, and the Facility Operator, Participating Parties, and DTSC shall all make their best, good faith efforts to adhere to such budget.

29. Unanticipated Intra-Year Funding Requirement. If at any time unanticipated Expenses or Contingencies occur that cause the Settlement Funds Manager, the Facility Operator, or DTSC to anticipate that available Settlement Funds will not be sufficient to pay Facility Operator Costs or other required disbursements from the Settlement Funds, such party shall provide notice to DTSC, the Facility Operator and the Participating Parties, as applicable. Upon such notice, the Facility Operator, Settlement Funds Manager, or DTSC will provide an updated annual consolidated budget to reflect additional funds needed before the next true-up or replenishment payment will be received pursuant to the QSF Agreement, including an allowance for the time needed to receive and process such payment. Participating Parties must within forty-

1 five (45) calendar days (or sooner if required for continued Facility Operator Work) pay to the
2 QSF the additional funds. If the Participating Parties dispute the updated budget, DTSC, the
3 Participating Parties, and the Facility Operator will meet and confer in an effort to resolve the
4 dispute. The Participating Parties may invoke the dispute resolution procedures set forth in
5 Section XIV. In all instances, the Participating Parties must pay amounts to the QSF to ensure
6 sufficient funds to secure continued performance of all Facility Operator Work and other
7 required payments from the Settlement Funds. If, after resolution, the Participating Parties' true-
8 up or replenishment obligation is eliminated or reduced, Participating Parties may submit a
9 request for reimbursement of that amount from the QSF to DTSC for approval. DTSC shall
10 promptly submit a Disbursement Authorization in that amount to the Settlement Funds Manager.

11 A. Facility Operator Cost Reimbursement. Every two months (or more
12 frequently in the instance of a large, unanticipated expenditure), to the extent revenues from the
13 operation of the Facility are insufficient to cover Facility Operator Costs, the Facility Operator
14 will submit requests for reimbursement of Facility Operator Costs to DTSC and the Settlement
15 Funds Manager, with a copy to the Participating Parties. DTSC will review the requests for
16 reimbursement and approve or reject the requests. DTSC may reject the request if DTSC
17 determines the request for reimbursement contains errors or does not reflect legitimate Facility
18 Operator Costs. In the event of the existence of errors, DTSC may notify the Facility Operator to
19 resolve the errors and provide corrected invoices, if needed. DTSC will consider input from the
20 Participating Parties on such requests for reimbursement. After DTSC approves payment of all
21 or a portion of a particular request for reimbursement, the Settlement Funds Manager must
22 promptly take the appropriate steps to allow for payment to the Facility Operator. After DTSC's
23 written approval of the request for reimbursement, the Settlement Funds Manager must pay
24 Facility Operator Costs in accordance with the QSF Agreement.

25 **IX. WORK TAKEOVER AND REPLACEMENT OF FACILITY OPERATOR**

26 30. Cooperation on Replacement of Facility Operator. Participating Parties and
27 DTSC, in its regulatory capacity, will meet and confer cooperatively to discuss process changes

1 and other improvements at the Facility to achieve operational efficiencies and reduce costs of
2 compliance, while ensuring that Facility Operator Work continues to meet all statutory and
3 regulatory requirements in a safe and reliable manner.

4 31. Work Takeover Determination. If DTSC determines that the Facility Operator (i)
5 has ceased to perform any of the Facility Operator Work; (ii) is seriously or repeatedly deficient
6 or late in performing the Facility Operator Work; or (iii) is performing the Facility Operator
7 Work in a manner that may cause an endangerment to human health or the environment, DTSC
8 may issue a notice of work takeover to the Facility Operator and copy the Participating Parties,
9 including a description of the grounds for the notice and a period of time (“Remedy Period”)
10 within which Facility Operator must remedy the circumstances giving rise to the notice. The
11 Remedy Period will be sixty (60) calendar days, unless DTSC determines in its unreviewable
12 discretion that there may be an endangerment, in which case the Remedy Period will be twenty
13 (20) calendar days.

14 32. Work Takeover. If DTSC initiates a work takeover, the Participating Parties can
15 request to become the Facility Operator or find a replacement Facility Operator. In that instance,
16 DTSC may approve the replacement Facility Operator pursuant to Section IX.33 (Replacement
17 of Facility Operator) below. If the Participating Parties do not identify a replacement Facility
18 Operator acceptable to DTSC within six months of the work takeover, DTSC can designate an
19 interim Facility Operator (other than the Participating Parties) until such time as the Participating
20 Parties identify and put in place a new Facility Operator that is acceptable to DTSC pursuant to
21 the terms of this Consent Decree. The work takeover shall conclude after the new Facility
22 Operator begins the Facility Operator Work, following an appropriate transition process.

23 33. Replacement of Facility Operator. At any time (including, but not limited to,
24 outside of a work takeover situation), the Participating Parties may request that DTSC approve a
25 replacement Facility Operator. In that instance, DTSC, in its regulatory capacity, will consider
26 whether the proposed replacement Facility Operator is appropriate, whether the permit
27 modification application for a replacement Facility Operator is in accordance with California

Code of Regulations title 22, section 66270.42, and other then-existing statutes and regulations, whether the proposed Facility Operator would have appropriate access to the Facility, and what steps and conditions are required to ensure such replacement Facility Operator will be able to fulfill the Facility Operator obligations as the permittee. Consistent with DTSC's permitting authority under the HWCL, in considering a request from the Participating Parties to replace the Facility Operator, DTSC may consider (i) the performance of the existing Facility Operator, (ii) whether the existing Facility Operator complies with regulatory and statutory requirements applicable to operators and permittees, and (iii) whether the proposed Facility Operator is qualified for the position and able to comply with all regulatory and statutory requirements applicable to completing the Facility Operator Work. Any replacement Facility Operator must agree to assume all responsibility for the Facility Operator Work and comply with applicable statutory and regulatory requirements, until replaced by a subsequent Facility Operator pursuant to the terms of this Consent Decree. Nothing in this paragraph impairs the permitting, regulatory, or statutory authority of DTSC pursuant to the HWCL or otherwise.

X. REIMBURSEMENT OF DTSC COSTS

34. DTSC may submit requests for reimbursement for its Future Response Costs, which it has incurred but which have not yet been reimbursed.

35. To request reimbursement, DTSC will submit a Disbursement Authorization (as defined in the QSF Agreement), no more frequently than quarterly to the Settlement Funds Manager in accordance with the QSF Agreement. If the amount available in the Settlement Funds for the Facility, other than the Principal for the Facility, is not sufficient to reimburse DTSC, the Participating Parties must make a payment into the QSF in an amount sufficient to reimburse DTSC for the request for reimbursement for its Future Responses Costs.

XI. CERTIFICATE OF COMPLETION

36. Certificate of Completion. Upon Participating Parties' request, DTSC will issue a Certificate of Completion to Participating Parties, when DTSC determines, in its discretion, that the balance in the QSF account for the Facility is self-sustaining or pursuant to the procedures set

1 forth in California Code of Regulations title 22, §§ 66264.120 and 66264.145(j)(1) and any then-
2 existing regulations. Following such Certificate of Completion, DTSC may elect to continue
3 having Settlement Funds managed in the QSF under the direction of an entity to be determined,
4 or transfer the Settlement Funds to the State Treasury (to a special account for the Facility), for
5 the benefit of DTSC.

6 **XII. INSURANCE**

7 37. The costs of insurance for the Facility Operator shall be a Facility Operator Cost
8 to be included in its annual budget.

9 **XIII. FORCE MAJEURE**

10 38. “Force Majeure,” for purposes of this Consent Decree, is defined as any event
11 arising from causes beyond the control of Participating Parties, of any entity controlled by
12 Participating Parties, or of Participating Parties’ contractors that delays or prevents the
13 performance of any of Participating Parties’ obligation under this Consent Decree despite their
14 best efforts to fulfill the obligation. The requirement of “best efforts to fulfill the obligation”
15 includes using best efforts to anticipate any potential Force Majeure and best efforts to address
16 the effects of any potential Force Majeure (a) as it is occurring and (b) following the potential
17 force majeure such that the delay and any adverse effects of the delay are minimized to the
18 greatest extent possible. “Force Majeure” does not include financial inability to complete the
19 Participating Parties Work or the Facility Operator Work.

20 39. If any event occurs or has occurred that may delay the performance of any
21 obligation under this Consent Decree for which Participating Parties intend or may intend to
22 assert a claim of force majeure, Participating Parties shall notify DTSC within thirty (30)
23 calendar days of when Participating Parties first knew that the event would cause a delay. Within
24 thirty (30) calendar days of such notification, Participating Parties shall provide in writing to
25 DTSC: an explanation and description of the reasons for the delay; the anticipated duration of the
26 delay; all actions taken or to be taken to prevent or minimize the delay; a schedule for
27 implementation of any measures to be taken to prevent or mitigate the delay or the effect of the

1 delay; Participating Parties' rationale for attributing such delay to a Force Majeure; and a
2 statement as to whether, in the opinion of Participating Parties, such event may cause or
3 contribute to an endangerment to public health, welfare or the environment. Participating Parties
4 shall include with any notice all available documentation supporting their claim that the delay
5 was attributable to a Force Majeure. Participating Parties shall be deemed to know of any
6 circumstance of which Participating Parties or Participating Parties' contractors knew. Failure to
7 comply with the above requirements regarding an event shall preclude Participating Parties from
8 receiving a determination of Force Majeure regarding that event, provided, however, that if
9 DTSC, despite the late or incomplete notice, is able to assess to its satisfaction whether the event
10 is a Force Majeure and whether Participating Parties have exercised their best efforts, DTSC may
11 excuse in writing Participating Parties' failure to submit timely or complete notices under this
12 Paragraph.

13 40. If DTSC agrees that the delay or anticipated delay is attributable to a Force
14 Majeure, the time for performance of the obligations under this Consent Decree that are affected
15 by the Force Majeure will be extended for such time as is necessary to complete those
16 obligations. An extension of the time for performance of the obligations affected by the Force
17 Majeure shall not, of itself, extend the time for performance of any other obligation. If DTSC
18 does not agree that the delay or anticipated delay has been or will be caused by a Force Majeure,
19 DTSC will promptly notify Participating Parties in writing of its decision. If DTSC agrees that
20 the delay is attributable to a Force Majeure, DTSC will notify Participating Parties in writing of
21 the length of the extension, if any, for performance of the obligations affected by the Force
22 Majeure.

23 41. If Participating Parties elect to invoke the dispute resolution procedures set forth
24 in Section XIV regarding the existence of a Force Majeure, they shall do so no later than twenty
25 (20) calendar days after receipt of DTSC's notice. In any such proceeding, Participating Parties
26 shall have the burden of demonstrating by a preponderance of the evidence that: (i) the delay or
27 anticipated delay has been or will be caused by a Force Majeure; (ii) the duration of the delay or

the extension sought was or will be warranted under the circumstances; (iii) best efforts were exercised to avoid and mitigate the effects of the delay; and (iv) Participating Parties complied with the requirements of the Consent Decree. If Participating Parties carry this burden, the delay at issue shall be deemed not to be a violation by Participating Parties of the affected obligation of this Consent Decree identified to DTSC and the Court.

XIV. DISPUTE RESOLUTION

42. Unless otherwise expressly provided for in this Consent Decree, the dispute resolution procedures of this Section shall be the exclusive mechanism to resolve all disputes regarding this Consent Decree including, but not limited to, replacement of the Facility Operator, Facility Operator cost reimbursement, and any dispute relating to annual true-up or annual Principal replenishment obligations or the comparison of the balances of the Settlement Funds with the Principal, or costs sought by any Party(ies) from the QSF. However, if the Settling Defendants fail to follow the procedures in this Section for resolving disputes regarding this Consent Decree, they shall have waived their right to further administrative consideration of the disputed issue.

43. Any dispute regarding this Consent Decree must in the first instance be the subject of informal negotiations between the parties to the dispute. The period for informal negotiations must not exceed thirty (30) calendar days from the time the dispute arises unless the time period is shortened or extended by written agreement between or among the parties to the dispute. The dispute shall be considered to have arisen when one party sends the other parties a written Notice of Dispute.

44. Statements of Position.

A. In the event that the parties cannot resolve a dispute by informal negotiations under the preceding Paragraph, then the position advanced by DTSC is considered binding unless, within thirty (30) calendar days after the conclusion of the informal negotiation period, the Settling Defendant(s) that are parties to the dispute invoke(s) the formal dispute resolution procedures of this Section by serving on DTSC a written Statement of Position on the

1 matter in dispute, including, but not limited to, any factual data, analysis or opinion supporting
2 that position and any supporting documentation relied upon by Settling Defendant(s) that are
3 parties to the dispute.

4 B. Within thirty (30) calendar days after receipt of the Statement of Position,
5 DTSC will serve on the Settling Defendant(s) that are parties to the dispute its Statement of
6 Position, including, but not limited to, any factual data, analysis, or opinion supporting its
7 position and all supporting documentation upon which it relies. Within ten (10) calendar days
8 after receipt of DTSC's Statement of Position, the Settling Defendant(s) that are parties to the
9 dispute may submit a Reply.

10 C. If the parties to the dispute are not able to resolve the dispute, the Director
11 of DTSC will issue a final administrative decision resolving the dispute.

12 D. DTSC's final administrative decision shall be binding upon Settling
13 Defendants unless, within thirty (30) calendar days of having received the final administrative
14 decision, the Settling Defendant(s) that are parties to the dispute appeal to this Court to resolve
15 the dispute.

16 45. The invocation of formal dispute resolution procedures under this Section shall
17 not extend, postpone, or affect in any way any obligation of Settling Defendants under this
18 Consent Decree not directly in dispute or necessarily affected thereby, unless DTSC or the Court
19 agrees otherwise.

20 **XV. COVENANTS BY PLAINTIFFS**

21 46. Covenant Not to Sue. In consideration of the actions that will be performed and
22 the payments that will be made by Settling Defendants under this Consent Decree, and except as
23 specifically provided in this Paragraph and Section XVI.48 (Plaintiffs' Reservation of Rights),
24 Plaintiffs covenant not to sue or to take administrative action against Settling Defendants for the
25 Matters Addressed in this Consent Decree. These covenants take effect for the Cashout Parties
26 upon satisfaction of the obligations in Section VII (Obligations of Cashout Parties) and for the
27 Participating Parties upon satisfaction of all of the following actions: Participating Parties'

obligations set out in Section VI.24.F(Initial Payment into the QSF by the Participating Parties); Participating Parties' obligations in Section VI.24.I.1 (Payment for DTSC Past Response Costs, First Payment); and Settling Defendants' dismissal of the Writ Action with prejudice set out in Section XXVI.81 (Termination or Amendment of ISE Order and Dismissal of Writ Action).

This Covenant Not to Sue extends only to the Settling Defendants and does not extend to any other person, and is conditioned on the satisfactory performance by the Settling Defendants of the obligations under the Consent Decree.

47. "Matters Addressed." Matters Addressed includes all Participating Parties Work performed pursuant to this Consent Decree, any and all civil liability for reimbursement of all or any portion of DTSC Past Response Costs and DTSC Future Response Costs, and declaratory relief, injunctive relief or any other relief under CERCLA or RCRA (including, but not limited to, a citizen suit under RCRA, 42 U.S.C. § 6972), the Carpenter-Presley-Tanner Hazardous Substance Account Act (Cal. Health & Safety Code §§ 25300 et seq.), the Hazardous Waste Control Act (Cal. Health & Safety Code §§ 25100 et seq.), the Porter-Cologne Water Quality Control Act (Cal. Water Code §§ 13000 et seq.), or common law, arising in whole or part from the releases and threatened releases of hazardous substances at and from the Facility.

XVI. PLAINTIFFS' RESERVATION OF RIGHTS

48. Plaintiffs' Covenant Not to Sue set forth in Section XV (Covenants by Plaintiffs) above does not pertain to the following matters, which DTSC reserves, and this Consent Decree is without prejudice to all rights, claims, and causes of action DTSC may have against a Settling Defendant, with respect to the following:

A. failure of the Settling Defendant to meet a requirement of this Consent Decree;

B. damage to natural resources, as defined in § 101(6) of CERCLA, 42 U.S.C. § 9601(6), including all costs incurred by any natural resources trustees;

C. liability arising from future actions by the Settling Defendant(s) not addressed by the Consent Decree and relating to the Facility;

1 D. liability arising from the past, present, future disposal, release, or threat of
2 release of a hazardous substance, pollutant, or contaminant from locations other than the Facility;

3 E. criminal liability;

4 F. claims in the bankruptcy proceedings of any Participating Party; and

5 G. DTSC's statutory and regulatory remedies against any Participating Party
6 with respect to their operation of the Facility after the Consent Decree Effective Date if they
7 become the Facility Owner or Facility Operator pursuant to the terms of this Consent Decree.

8 49. Plaintiffs reserve the right to seek additional relief from a Cashout Party, and this
9 Consent Decree is without prejudice to Plaintiffs' right to institute proceedings in this action or a
10 new action or to issue an administrative order if:

11 A. information is discovered indicating that such Cashout Party's
12 contribution of hazardous substances to the Facility is subsequently determined to be at least
13 50% greater by volume than known as of the Consent Decree Effective Date; any such additional
14 relief shall relate only to that newly-discovered volume which is in excess of the volume
15 previously settled; or

16 B. after the Cashout Party signs this Consent Decree, such Cashout Party
17 becomes an owner or operator of the Facility or takes intentional acts to dispose or arrange for
18 the disposal of hazardous substances or solid wastes at the Facility; or

19 C. the Cashout Party has a past or current Affiliate that has contributed waste
20 to the Facility that has not been included in any volume resolved through a payment under
21 Section VII.25.A and Appendix A-3.

22 50. DTSC reserves all rights that it may have as to any matter relating in any way to
23 the Facility against any person who is not a Party to this Consent Decree. DTSC also reserves
24 the right to seek relief from any entity whose corporate relationship to a Settling Defendant is
25 created after the Settling Defendant executes the Consent Decree if such entity has not separately
26 resolved its potential liability through entry into and compliance with this Consent Decree.

1 51. Notwithstanding any other provision in the Consent Decree, DTSC reserves the
2 right to institute proceedings in this action or a new action, and/or to issue an administrative
3 order, seeking to compel Participating Parties to perform response actions at or related to the
4 Facility or pay DTSC's response costs, if: (a) conditions at or relating to the Facility previously
5 unknown to DTSC are discovered after the Consent Decree Effective Date by DTSC; and (b)
6 DTSC determines that these conditions together with other relevant information indicate that
7 performance of the Facility Operator Work is not protective of human health and the
8 environment.

9 52. Subject to Section XV (Covenants by Plaintiffs), nothing in this Consent Decree
10 limits any authority of DTSC to (a) take all appropriate action to protect human health and the
11 environment or to prevent, abate, respond to, or minimize an actual or threatened release of any
12 hazardous substance on, at, or from the Facility, or (b) to direct or order such action, or seek an
13 order from the Court, to protect human health and the environment or to prevent, abate, respond
14 to, or minimize an actual or threatened release of any hazardous substance on, at, or from the
15 Facility.

16 **XVII. COVENANTS BY SETTLING DEFENDANTS**

17 53. Subject to the reservations in Section XVII.54 below, Settling Defendants
18 covenant not to sue and agree not to assert claims or causes of action against DTSC with respect
19 to the Facility and this Consent Decree, including:

20 A. the claims asserted by Plaintiffs in this case under CERCLA Sections 107
21 or 113, RCRA Section 7002(a), 42 U.S.C § 6972(a); and

22 B. any claims arising out of response actions at or in connection with the
23 Facility.

24 54. Settling Defendants' Reservations

25 A. The covenants in Paragraph 53 shall not apply to state entities (excluding
26 DTSC) who are liable for claims with respect to the Facility.

1 B. The covenants in Paragraph 53 shall not apply if DTSC brings a cause of
2 action or issues an order pursuant to any of the reservations in Section XVI (Reservation of
3 Rights), other than in Section XVI.48.A (claims for failure to meet a requirement of the Consent
4 Decree), XVI.48.E (criminal liability), but only to the extent that Settling Defendants' claims
5 arise from the same response action, response costs, or damages that DTSC is seeking pursuant
6 to the applicable reservation.

7 C. Settling Defendants reserve, and this Consent Decree is without prejudice
8 to, claims against DTSC brought pursuant to any statute other than CERCLA, RCRA, or the
9 Carpenter-Presley-Tanner Hazardous Substance Account Act (Cal. Health & Safety Code §§
10 25300 et seq.) and for which the waiver of sovereign immunity is found in a statute other than
11 CERCLA or RCRA for money damages for injury or loss of property or personal injury or death
12 caused by any future negligent or wrongful act or omission of any employee or agent of DTSC,
13 while acting within the scope of his or her office or employment under circumstances where
14 DTSC, if a private person, would be liable to the claimant in accordance with the law of the
15 place where the act or omission occurred. However, this reservation shall not include any claim
16 based on DTSC's selection of response actions, post-closure, or corrective action, or the
17 oversight or approval of the Facility Operator's plans, reports, other deliverables, or activities.

18 55. Settling Defendants' Claims Among and Between Settling Defendants against
19 Other Settling Parties. As to the Matters Addressed, Settling Defendants agree not to assert any
20 claims or causes of action and to waive all claims or causes of action that they may have for
21 costs relating to the Facility against any person who has entered into this Consent Decree and is
22 in compliance with the obligations pursuant to it, subject to the same reservation of rights that
23 DTSC reserves in Section XVI.48 (Plaintiffs' Reservation of Rights) and XVI.49.

24 **XVIII. EFFECT OF SETTLEMENT; CONTRIBUTION PROTECTION**

25 56. Nothing in this Consent Decree shall be construed to create any rights in, or grant
26 any cause of action to, any person not a Party to this Consent Decree. Each of the Parties
27 expressly reserves any and all rights including, but not limited to, pursuant to Section 113(f)(2)-

(3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), defenses, claims, demands, and causes of action that each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Facility against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of DTSC, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any person not a Party hereto to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

57. The Parties agree, and by entering this Consent Decree this Court finds, that this Consent Decree constitutes a judicially approved settlement for purposes of any applicable laws, including, but not limited to, Section 113(f)(2) of CERCLA, 42 U.S.C § 9613(f)(2), and that each Settling Defendant, as of the Consent Decree Effective Date, resolved its liability to Plaintiffs within the meaning of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2) and is entitled, as of the Consent Decree Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. 9613(f)(2) or as may be otherwise provided by law, for the Matters Addressed in this Consent Decree.

58. The Parties further agree, and by entering this Consent Decree this Court finds, that the Amended Complaint filed by Plaintiffs in this action is a civil action, and that this Consent Decree constitutes a judicially-approved settlement under federal law and good faith settlement under sections 877 and 877.6 of the California Civil Procedure Code. Pursuant to California Civil Procedure Code section 877 and 877.6, upon entry, this Consent Decree shall bar any further claims against the Settling Defendants pursuant to which each Settling Defendant has, as of the Consent Decree Effective Date, resolved liability to the Plaintiffs.

59. Each Settling Defendant must, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify DTSC in writing no later than sixty (60) calendar days prior to the initiation of such suit or claim.

60. Each Settling Defendant must, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify in writing DTSC within fifteen (15) calendar days after service of the complaint on such Settling Defendant. In addition, each Settling

1 Defendant must notify DTSC within fifteen (15) calendar days after service or receipt of any
2 Motion for Summary Judgment and within ten (10) calendar days after receipt of any order from
3 a court setting a case for trial.

4 61. Res Judicata and Other Defenses. In any subsequent administrative or judicial
5 proceeding initiated by DTSC for injunctive relief, recovery of response costs, or other relief
6 relating to the Facility, Settling Defendants shall not assert, and may not maintain, any defense or
7 claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion,
8 claim-splitting, or other defenses based upon any contention that the claims raised by DTSC in
9 the subsequent proceeding were or should have been brought in the instant case; provided,
10 however, that nothing in this Paragraph affects the enforceability of the covenants not to sue set
11 forth in Section XV.46 (Covenants by Plaintiffs). Settling Defendants shall not assert, and may
12 not maintain, any defense based on the contention that such claims should have been brought in
13 the instant case and/or are res judicata or estopped by termination of the Order as provided in this
14 Consent Decree. These res judicata limitations do not apply to any claim(s) Settling Defendants
15 may have against a party that is not a signatory to this Consent Decree or is not in compliance
16 with this Consent Decree.

17 62. No Admission of Liability. For the purposes of this Consent Decree, the Settling
18 Defendants admit none of the allegations of the Amended Complaint and the ISE Order. DTSC
19 does not admit any liability or wrongdoing arising out of the allegations alleged in the Writ
20 Action. This Consent Decree shall be admissible in any enforcement action brought by any Party
21 to enforce the terms of this Consent Decree, but may not be utilized by third parties against any
22 Party as proof of any allegations, findings, or conclusions contained herein. The Parties agree
23 that nothing in this Consent Decree constitutes an admission of liability by any Settling Defendant
24 to DTSC or any other person or entity or an admission as to the recoverability of any alleged
25 costs. Further, no Participating Party will be deemed an “operator” as that term is defined in
26 CERCLA and the Carpenter-Presley-Tanner Hazardous Substance Account Act (Cal. Health &
27

1 Safety Code §§ 25300 et seq.) based solely on its performance of the financial obligations set
2 forth in this Consent Decree.

3 63. No Waiver. Except as set forth in Section XVII.53 (Covenants by Settling
4 Defendants) of this Consent Decree, nothing in this Consent Decree prejudices, waives, or
5 impairs any right, remedy, or defense that any of the Settling Defendants may have in the instant
6 case or any other or further legal proceeding, including, but not limited to, any application by the
7 Participating Parties to have DTSC designated as the administering agency pursuant to California
8 Health & Safety Code §§ 25260-25268.

9 **XIX. COMPLIANCE WITH APPLICABLE LAW**

10 64. All activities undertaken by the Parties pursuant to this Consent Decree must be
11 performed in accordance with the requirements of all applicable federal and state laws and
12 regulations.

13 **XX. NOTICES AND SUBMISSIONS**

14 65. Whenever, under the terms of this Consent Decree, written notice is required to be
15 given or a report or other document is required to be sent by one Party to another, it shall be
16 directed to the individuals at the addresses specified below, unless those individuals or their
17 successors give notice of a change to the other Parties in writing. All notices and submissions
18 are considered effective upon receipt unless otherwise provided. Written notice as specified
19 herein constitutes complete satisfaction of any written notice requirement of the Consent Decree
20 with respect to DTSC and the Settling Defendants, respectively.

As to Settling Defendants

Daniel E. Vineyard, Common Counsel 1401 McKinney, Suite 1900 Houston, Texas 77010	As to individual Settling Defendants (Contact information as provided in Appendix A)
---	--

66. Upon ten (10) calendar days' notice to the other party, a party to this Consent Decree may substitute another person for an addressee named above to receive notifications or communications as required or provided for in this Consent Decree.

XXI. RETENTION OF JURISDICTION

67. This Court retains jurisdiction over both the subject matter of this Consent Decree and the Parties for the duration of the performance of the terms and provisions of this Consent

Decree for the purpose of enabling any of the Parties to apply to the Court at any time for such further order, direction, and relief as may be necessary or appropriate for the construction or modification of this Consent Decree, or to effectuate or enforce compliance with its terms, or to resolve disputes in accordance with Section XIV (Dispute Resolution).

XXII. APPENDICES

68. The following appendices are incorporated into this Consent Decree:
“Appendix A-1” is a list of the Participating Parties.
“Appendix A-2” is a list of the Cashout Parties.
“Appendix A-3” is the Cashout Schedule.
“Appendix B” is the QSF Agreement.
“Appendix C” is the Payment Calculation for Cashout Parties
“Appendix D” is the Amount of Financial Assurance
“Appendix E” is the list of Settling Defendants and their addresses for service of process per Paragraph 78.

69. This Consent Decree and its appendices constitute the entire agreement between DTSC and the Settling Defendants and may not be amended or supplemented except as provided for in this Consent Decree.

XXIII. MODIFICATION

70. Any material modifications to this Consent Decree must be in writing, signed by DTSC and the Settling Defendants, and are effective only upon approval by the Court, subject to the following section.

71. However, any such modification that does not affect the obligations of, or the protections afforded to, the Cashout Parties may be executed by the Participating Parties, only, and may be submitted to the Court for approval without the signatures of the Cashout Parties.

72. Nothing in this Consent Decree alters the Court’s power to enforce, supervise or approve modifications to this Consent Decree.

XXIV. LODGING AND OPPORTUNITY FOR PUBLIC COMMENT

73. This Consent Decree must be lodged with the Court for a period of not less than thirty (30) calendar days for public notice and comment in accordance with Section 122(d)(2) of CERCLA, 42 U.S.C. § 9622(d)(2), and 28 C.F.R. § 50.7. DTSC reserves the right to withdraw

1 or withhold its consent if the comments regarding the Consent Decree disclose facts or
2 considerations indicating that the Consent Decree is inappropriate, improper, or inadequate.
3 Settling Defendants consent to the entry of this Consent Decree without further notice and shall
4 not challenge entry of this Consent Decree.

5 74. Each Settling Defendant agrees not to oppose entry of this Consent Decree by this
6 Court or to challenge any provision of this Consent Decree unless DTSC has notified Settling
7 Defendants in writing that it no longer supports entry of the Consent Decree.

8 75. If for any reason the Court declines to approve this Consent Decree in the form
9 presented, this agreement is voidable at the sole discretion of any Party and the terms of the
10 agreement may not be used as evidence in any litigation between the Parties.

11 76. Settling Defendants need not file an answer or otherwise respond to the Amended
12 Complaint in this action unless or until the Court expressly declines to enter this Consent Decree.

13 **XXV. SIGNATORIES/SERVICE**

14 77. Each undersigned representative of a Settling Defendant and DTSC certifies that
15 he or she is fully authorized to enter into the terms and conditions of this Consent Decree and to
16 execute and legally bind such Party (including the entities listed in Appendix A-1 or Appendix A-
17 2, as applicable) to this document.

18 78. Each Settling Defendant agrees to accept service of process by mail to the address
19 identified in Appendix E on behalf of that Party with respect to all matters arising under or
20 relating to this Consent Decree. Settling Defendants agree to accept service in that manner and
21 to waive the formal service requirements set forth in Rule 4 of the Federal Rules of Civil
22 Procedure and any applicable local rules of this Court, including, but not limited to, service of a
23 summons.

24 79. This Consent Decree may be executed in two or more counterparts, each of which
25 shall be deemed an original, but all of which together shall constitute one and the same
26 instrument.
27

1 80. Each of the parties to this Consent Decree represents and acknowledges that, in
2 deciding whether to enter into and sign this Consent Decree, it has not relied on any statement of
3 fact, statement of opinion, or representation, express or implied, made by any other party to this
4 Consent Decree. Each of the parties to this Consent Decree has investigated the subject matter
5 of this Consent Decree to the extent necessary to make a rational and informed decision to
6 execute it and has had the opportunity to consult independent counsel.

7 **XXVI. TERMINATION OR AMENDMENT OF ISE ORDER AND DISMISSAL OF**
8 **WRIT ACTION**

9 81. Within ten (10) calendar days of the Consent Decree Effective Date, DTSC will
10 amend the ISE Order relating to the Facility to remove each of the Settling Defendants as a
11 respondent (and, under Plaintiffs' Covenant Not to Sue set forth in Section XV (Covenants by
12 Plaintiffs) shall not amend the ISE Order going forward to re-add a Settling Defendant to the
13 Order from which it was removed, subject to Plaintiffs' Reservation of Rights in Section XVI).
14 DTSC reserves the right to retain or amend the ISE Order as to any entity that is not a Party to
15 this Consent Decree. However, if all respondents named in the ISE Order become Settling
16 Defendants, the ISE Order relating to the Facility will be dismissed.

17 82. Within ten (10) calendar days of the Consent Decree Effective Date, Settling
18 Defendants will dismiss the Writ Action with prejudice.

19 **XXVII. FINAL SETTLEMENT AGREEMENT; NO THIRD-PARTY BENEFICIARIES**

20 83. This Consent Decree and its appendices constitute the final, complete, and
21 exclusive agreement and understanding among the Parties regarding the settlement embodied in
22 the Consent Decree. The Parties acknowledge that there are no representations, agreements, or
23 understandings relating to the subject matter of the settlement here between Plaintiffs and
24 Settling Defendants other than those expressly contained in this Consent Decree. The Parties
25 further acknowledge that this Consent Decree is solely for the benefit of the Parties and there are
26 no express or implied third-party beneficiaries of it, including, but not limited to, the Permit
27 permittees, now or in the future.

1 **XXVIII. TERMINATION OF CONSENT DECREE**

2 84. Subject to the Covenants by Plaintiff provided for in Section XV (Covenants by
3 Plaintiffs), which shall survive termination, this Consent Decree shall terminate upon the
4 occurrence of any of the following:

5 A. DTSC's issuance of the Certificate of Completion in accordance with
6 Section XI (Certificate of Completion) above; and/or

7 B. DTSC determines, within its discretion that technological advances or
8 other circumstances make continued post-closure operations and maintenance at the Facility
9 unnecessary and not required by law.

10 **XXIX. WASTE-IN DATABASE**

11 85. Confidential. The Settling Defendants assert that their search mechanisms within
12 the Database are the confidential work product of the Settling Defendants and are a trade secret.
13 The Settling Defendants assert that access to the Database and the search process were and are
14 made in the context of settlement negotiations and will not be prepared, owned, in the possession
15 of, or retained by a public body, nor accessed by any public body other than DTSC.

16 86. Limited Access. DTSC's access and use of such Database shall be for the limited
17 purpose of pursuing recoveries from Non-Settlors, including, but not limited to, evaluating
18 whether the waste allocated to a past or current subsidiary, division, sister-company, parent, or
19 other affiliate of a Settling Defendant is included in the waste settled herein. In the event DTSC
20 receives a Public Records Act (PRA) request for a copy of the Database, including the
21 methodology used to create the Database, DTSC must promptly notify Settling Defendants of the
22 PRA Request prior to complying with the PRA request and provide Settling Defendants with the
23 opportunity to object to disclosure.

24 87. DTSC's Use of the Database. The Settling Defendants agree that DTSC may be
25 provided access to the Database upon notice to the Participating Parties of the documents or
26 information DTSC is seeking. The Participating Parties will first provide what is requested to
27 DTSC. In the event the Participating Parties are unable to provide the requested information to

1 DTSC, then DTSC will be provided limited access to the Database. DTSC agrees to use the
2 Database reasonably and in good faith and not to use the Database against any Settling
3 Defendant, except as necessary to support the approval or defense of a settlement, including, but
4 not limited to, bankruptcy settlements, for the Facility between DTSC and that party, and
5 evaluating whether the waste allocated to a past or current subsidiary, division, sister-company,
6 parent, or other affiliate of a Settling Defendant is included in the waste settled herein.

7 88. Maintenance of Static Version of the Database as of July 1, 2023. Participating
8 Parties shall maintain a static version of the Database as it existed as of July 1, 2023, and upon
9 request, shall provide access to such version to DTSC, pursuant to the terms of this Consent
10 Decree.

11 89. The Database Is Not an Admission. The Database cannot, for evidentiary
12 purposes, be considered an admission or declaration against interest by any Settling Defendant,
13 including any successors or affiliates. The Settling Defendants make no representations
14 regarding the accuracy of the manifests themselves. This provision survives termination of this
15 Consent Decree. This paragraph shall not apply to DTSC's use of manifest images and the
16 underlying documents and information used to create the Database.

17 90. Database Limited to this Facility. DTSC may use the Database with regard to the
18 Facility only, and shall not use the Database or any information generated therefrom in
19 connection with any other site or enforcement action at any other site.

20 91. DTSC will not Share the Database with other State Agencies. DTSC will not
21 provide the Database, or any information generated therefrom, to any other state agency or any
22 county or municipality within the State of California. This provision shall not apply to (i)
23 DTSC's use of the documents or information used to create the Database, (ii) the sharing of
24 information from the Database with counsel of the California Attorney General's Office
25 representing DTSC relating to the pursuit of third parties, (iii) the sharing of information from
26 the Database with the California Environmental Protection Agency and the California
27 Governor's Office for the purposes of reporting and/or complying with this Consent Decree, and

(iv) the sharing of information from the Database to otherwise further the purposes of this Consent Decree. However, DTSC shall provide Participating Parties at least ten (10) calendar days prior notice before sharing information from the Database pursuant to subparagraph (iv) above.

XXX. PURSUIT OF THIRD PARTIES

92. Identification and Pursuit of Non-Settlers. Participating Parties and DTSC (subject to its discretion) shall cooperate with respect to identifying and pursuing Non-Settlers, including any past owner or operator of the Facility. The Participating Parties may assist DTSC, and DTSC may assist the Participating Parties with regard to:

A. Identifying Non-Settlers by using the Database and other available information;

B. Locating contact information for Non-Settlers and their successors;

C. Communicating with Non-Settlers to urge contribution toward response costs at the Facility pursuant to terms mutually agreed upon by DTSC, Participating Parties, and the Non-Settlor; and

D. Bringing one or more actions as necessary and appropriate against any Non-Settlor that chooses not to contribute toward response costs incurred by the Parties at and for the Facility.

E. The extent to which DTSC assists the Participating Parties with respect to the pursuit of one or more of the Non-Settlers is subject to DTSC's discretion, based upon considerations such as: (i) the likelihood that a Non-Settlor will have sufficient funds to contribute toward the response cost; (ii) the expense of pursuing such Non-Settlor for such recovery; (iii) as set forth in Section XXX.94 (Non-Settlers) and XXX.95 (Enforcement and/or Litigation) below, the terms on which DTSC enters into settlements with Non-Settlers; and (iv) whether the pursuit of any Non-Settlor is consistent with public policy, equity, and fairness.

93. Resolution of Claims with Non-Settlers. The Participating Parties and DTSC, in its discretion, may contact Non-Settlers and offer to settle their potential liability for Matters

1 Addressed. For settlements involving DTSC, and subject to Section XXX.94 (Non-Settlers), the
2 Parties anticipate that Non-Settlor settlements would be memorialized in a consent decree
3 approved by DTSC, which, as provided by law, will provide for contribution protection and a
4 covenant not to sue in exchange for the settlement amount paid. Subject to Section XXX.94
5 (Non-Settlers), the Parties anticipate that the consent decree will also contain the same or similar
6 reservation of rights as contained in Section XVI.48 (Plaintiffs' Reservation of Rights).

7 94. Non-Settlers. DTSC retains enforcement discretion with regard to the terms on
8 which it enters into settlements with Non-Settlers. However, as to any Non-Settlers that do not
9 settle with DTSC, the Participating Parties reserve all rights to pursue any such Non-Settlor.

10 95. Enforcement and/or Litigation. Non-Settlers may be pursued by DTSC, the
11 Participating Parties, or both in their discretion, provided the terms offered are fair, equitable,
12 reasonable, and consistent with public policy, considering the settlement terms offered to
13 Cashout Parties or Participating Parties. The Participating Parties may pursue all available
14 causes of action and remedies against any Non-Settlor. If any litigation or related actions against
15 Non-Settlers are ongoing at the time this Consent Decree terminates, the Party or Parties that
16 initiated the effort to pursue such Non-Settlers will control the ultimate resolution of such
17 litigation or related actions.

18 96. Recoveries from Non-Settlers. The entirety of all such settlement funds
19 recovered by the Participating Parties and/or DTSC must be contributed to the QSF.

20 97. Inquiries. All inquiries from Non-Settlers shall be directed to the Participating
21 Parties as an initial matter. DTSC and the Participating Parties will work together to respond to
22 inquiries, including the resolution of volumetric challenges.

23 98. Coordination. DTSC and the Participating Parties will coordinate to facilitate the
24 efficient and non-duplicative pursuit of any Non-Settlor.

25 99. Reimbursement for DTSC Costs Incurred Pursuing Non-Settlers: DTSC will be
26 reimbursed for Future Response Costs incurred pursuing Non-Settlers as set forth in Section X
27 (Reimbursement of DTSC Costs).

1 100. Reimbursement for Participating Parties Costs Incurred Pursuing Non-Settlers:

2 Participating Parties may submit requests for reimbursement to the Settlement Funds Manager
3 for reasonable costs, including reasonable attorney's fees, incurred pursuing Non-Settlers from
4 time to time, but no more frequently than every year after the Consent Decree Effective Date.

5 A. Participating Parties must submit requests for reimbursement to DTSC and
6 the Settlement Funds Manager. DTSC will review such requests and approve or reject the
7 requests. DTSC may reject the request if DTSC determines the request does not reflect
8 reasonable and legitimate costs of pursuing Non-Settlers. After DTSC approves payment of all
9 or a portion of a particular request for reimbursement, the Settlement Funds Manager must
10 promptly take the appropriate steps to allow for payment to the Participating Parties.

11 B. Following DTSC written approval of the request for reimbursement, the
12 Settlement Funds Manager must pay the Participating Parties in accordance with the QSF
13 Agreement.

14
15 SO ORDERED THIS 8TH DAY OF MARCH, 2024.

1 **APPENDIX B**

2 **QUALIFIED SETTLEMENT FUND (QSF) AGREEMENT**

3 This Qualified Settlement Fund Agreement (“QSF Agreement” or “Agreement”) is made
4 effective upon entry of the Consent Decree to which it is attached as Appendix B between the
5 Participating Parties and DTSC.

6 1. **Purpose.** The purpose of this QSF Agreement is to govern the management and
7 administration of the Qualified Settlement Fund (“QSF”) and Non-Qualified Settlement
8 Fund (“Non-QSF”) for the Facility.

9 2. **Definitions.** Unless otherwise defined herein, capitalized terms used in this QSF
10 Agreement have the same meaning as the Consent Decree. For convenience, certain of
11 those terms and definitions are restated as follows. Additionally, the following terms
12 used in this QSF Agreement have the following meanings:

13 A. “Contingencies” means costs resulting from the circumstances identified in
14 Paragraph 13 herein (Categorization of Costs as Expenses and Contingencies for
15 QSF Disbursements) at the Facility and includes any other costs associated with
16 post-closure or corrective action arising from or associated with the Facility that
17 are not Expenses defined in Paragraph 2.D herein.

18 B. “Disbursement Authorization” means a written authorization from DTSC
19 authorizing the Settlement Funds Manager to disburse a specified amount of
20 money from the Settlement Funds specifying the payee and the amount of each
21 disbursement categorized as Expenses or Contingencies.

22 C. “Disbursement Guidelines” means the separate guidelines prepared and provided
23 by the Facility Operator, Participating Parties, and DTSC to the Settlement Funds
24 Manager specifying (a) the account(s) authorized to receive disbursements from
25 the Settlement Funds, (b) the method by which such funds will be disbursed to
26 such specified accounts, and (c) the collection of any necessary tax documentation
27 to avoid or reduce any applicable tax withholding (including backup

1 withholding). The Disbursement Guidelines and all amendments to those
2 guidelines shall specify that no disbursement shall be made except as approved in
3 a specific DTSC Disbursement Authorization.

4 D. “Expenses” means costs resulting from the routine and non-routine tasks at the
5 Facility identified in Paragraph 13 herein (Categorization of Costs as Expenses
6 and Contingencies for Settlement Fund Disbursements) of this Agreement.

7 E. “Facility Operator Costs” means any costs incurred by the Facility Operator in
8 connection with or associated with the Facility Operator Work, including, but not
9 limited to, field work, management, administration, accounting, reporting,
10 insurance, costs of financial assurance mechanisms, recordkeeping, permitting,
11 Permit Fees, taxes, dispute resolution costs, legal fees and costs, and/or penalties
12 for violations of laws and regulations that occur after the Consent Decree
13 Effective Date. Among other things, Expenses and Contingencies are intended to
14 cover any and all Facility Operator Costs.

15 F. “Fiscal Year” means the twelve-month period beginning [September 1] each year
16 and ending [August 31] each year.

17 G. “ITELT’s Post-Closure Insurance” means the two insurance policies issued by
18 American International Specialty Lines Insurance Company to the IT Corporation
19 to provide financial assurance for closure and post-closure for, among other sites,
20 the Facility, including, Policy 4762403 and Policy 4760892.

21 H. “Non-Principal” means the notional amount of the QSF based on the calculations
22 identified in Paragraph 7 herein (Annual Calculation of QSF Non-Principal).

23 I. “Non-Qualified Settlement Fund” or “Non-QSF” means a fund or account that
24 shall be established by the Participating Parties for the Facility pursuant to the
25 Consent Decree to hold and disburse any Settlement Funds received in connection
26 with the Consent Decree that cannot be placed into the QSF, including, but not
27

1 limited to, revenue generated at the Facility if applicable, together with any
2 investment returns on such Non-QSF funds.

3 J. "Net ROI" means ROI (as defined herein) minus the Principal Inflation
4 Adjustment, measured annually and cumulatively.

5 K. "Principal" means the notional amount of the QSF based on the calculations
6 identified in Paragraph 6 herein (Annual Calculation of QSF Principal).

7 L. "Principal Inflation Adjustment" means the notional amount calculated annually
8 to adjust the Principal amount to account for inflation or deflation during the past
9 Fiscal Year based on an inflation index, selected by the Settlement Funds
10 Manager, with the written consent of DTSC whose consent will not be
11 unreasonably withheld or delayed. Unless and until a different index is approved
12 by DTSC, the inflation index will be the Bay Area Consumer Price Index for All
13 Urban Consumers (CPI-U) published by the U.S. Department of Labor, Bureau of
14 Statistics. The Principal Inflation Adjustment shall be calculated as though no
15 disbursements or replenishment payments were applied to Principal.

16 M. "Qualified Settlement Fund" or "QSF" means the settlement fund for the Facility
17 established by the Participating Parties pursuant to the Consent Decree and
18 governed by this Agreement.

19 N. "ROI" means any QSF investment returns including interest, dividends, other
20 investment income, and any realized or unrealized changes in the values of
21 investments in the QSF.

22 O. "Settlement Funds" means the funds in the QSF and funds in the Non-QSF
23 established pursuant to the Consent Decree. Settlement Funds shall be managed,
24 maintained, and used solely as provided in this Agreement.

25 P. "Settlement Funds Manager" means the financial institution, selected and
26 authorized by the Participating Parties, with the written consent of DTSC whose
27 consent will not be unreasonably withheld or delayed, to hold, manage, invest,

1 and administer Settlement Funds, including (i) the QSF and its subaccounts and
2 (ii) the Non-QSF and its subaccounts, as applicable. The Settlement Funds
3 Manager shall at all times have “custody” (as such term is used in Rule 15c3-3
4 promulgated under the Securities Exchange Act of 1934, as amended) of all funds
5 in the QSF or Non-QSF including any subaccount thereof. The Settlement Funds
6 Manager is responsible for processing payments from Settlement Funds pursuant
7 to DTSC Disbursement Authorizations.

8 3. **Establishment of QSF and Non-QSF Accounts.** Participating Parties have established
9 a QSF and Non-QSF to fund the performance of the Facility Operator Work at the
10 Facility, reimbursement of DTSC’s Past Response Costs and Future Response Costs, and
11 reimbursement of Participating Parties for costs incurred pursuing Non-Settlers pursuant
12 to the Consent Decree. For administrative efficiency, the QSF and Non-QSF for the
13 Facility may be maintained as subaccounts in master QSF and Non-QSF accounts with
14 the other ITELT sites (Vine Hill Complex, Montezuma Hills Facility, and Benson Ridge
15 Facility), each with its own QSF and Non-QSF subaccounts, as applicable.

16 A. Per the terms of this QSF Agreement and the Consent Decree, Participating
17 Parties are responsible for establishing the accounts and selecting a Settlement
18 Funds Manager. Management of the funds in the QSF and the Non-QSF shall be
19 governed by the terms of the Consent Decree and its Appendices, including this
20 QSF Agreement.

21 B. The QSF shall be used to hold, manage, and distribute Settlement Funds that are
22 eligible for placement in a 468B settlement fund in accordance with applicable
23 law. Pursuant to Paragraph 5 (Deposits into the QSF and Non-QSF) herein, such
24 funds in the QSF may include settlement payments made by Cashout Parties,
25 contributions made by Participating Parties, funds collected from Non-Settlers,
26 and any other monies received from other sources that are eligible to be placed in
27 the QSF in accordance with applicable law.

1 C. The Non-QSF shall be used to hold, manage, and distribute funds that are not
2 eligible to be placed in the QSF in accordance with applicable law.

3 D. No third party shall have access to the QSF or Non-QSF, except as provided
4 herein.

5 4. **Appointment of Settlement Funds Manager.**

6 A. Proposal and Approval. Paragraphs 24.C.3 and 24.E of the Consent Decree
7 require the Participating Parties to propose a Settlement Funds Manager before
8 establishing the QSF. Per the Consent Decree, DTSC's approval must not be
9 unreasonably withheld, and be provided within fifteen (15) days after the
10 Settlement Funds Manager is proposed by the Settling Defendants or as soon as
11 possible thereafter.

12 B. Appointment of Successor. A successor Settlement Funds Manager must be
13 proposed to DTSC by the Participating Parties within thirty (30) days after the
14 resignation or removal of the Settlement Funds Manager. DTSC's approval must
15 not be unreasonably withheld, and should be provided within fifteen (15) days
16 after the Settlement Funds Manager is proposed by the Settling Defendants or as
17 soon as possible thereafter.

18 C. Participating Parties must timely provide information requested by DTSC, if any,
19 regarding any proposed Settlement Funds Manager.

20 5. **Deposits into the QSF and Non-QSF.** All deposits into the QSF shall specify the payer
21 and type of payment, including: (a) initial contributions from Participating Parties, (b)
22 payments made by Cashout Parties, (c) settlements with Non-Settlers, (d) recoveries from
23 ITELT's general liability insurers, (e) annual true-up payments from Participating Parties
24 related to Expenses, as set forth in Paragraph 16.A herein, (f) annual replenishment
25 payments from Participating Parties related to Contingencies, as set forth in Paragraph
26 16.B herein, (g) contribution from Participating Parties, if any, for payment of DTSC's
27 Past Response Costs as set forth in Paragraph 16.C, (h) payments to restore the Principal,

as set forth in Paragraph 16.D, or (i) other deposits to be specified, which shall be recorded in a ledger maintained by the Settlement Funds Manager. Deposits into the Non-QSF need only specify the payer and type of payment.

6. Annual Calculation of QSF Principal.

A. Based on the ledgers of deposits into and disbursements from the QSF, Principal shall be calculated to include all of the funds identified in paragraphs (i) through (vi) below less the funds identified in paragraph (vii) below:

- i. all initial contributions from Participating Parties made pursuant to the Consent Decree;
- ii. all payments made by Cashout Parties pursuant to the Consent Decree except for twenty million dollars (\$20,000,000) which is to be considered Non-Principal;
- iii. the annual Principal Inflation Adjustment for the prior Fiscal Year;
- iv. all replenishment payments in the past Fiscal Year from Participating Parties related to disbursements applied to Principal;
- v. Principal Inflation Adjustments from all Fiscal Years before the prior Fiscal Year;
- vi. all replenishment payments from all prior Fiscal Years from Participating Parties; and
- vii. any disbursements for Contingencies or the use of the Principal by DTSC for use of financial assurance.

B. Principal shall be stated annually at the end of each Fiscal Year, showing the components of the annual calculations.

7. Annual Calculation of QSF Non-Principal.

A. Based on the ledgers of deposits into and disbursements from the QSF, Non-Principal shall be calculated as the funds identified in paragraphs (i) through (iii)

below less the funds identified in paragraph (iv) below. Non-Principal excludes Principal, ROI, and Net ROI:

- i. all recoveries from settlements with Non-Settlers;
- ii. all recoveries collected from ITFLT's insurers, but only to the extent they are eligible for special tax treatment pursuant to IRS Code 468B-1. To the extent such funds are not eligible for special tax treatment pursuant to IRS Code 468B-1, the funds must be placed in the Non-QSF;
- iii. all other monies contributed to the QSF, including but not limited to, twenty million dollars (\$20,000,000) from the payments made by Cashout Parties pursuant to the Consent Decree and all true-up payments by Participating Parties; and
- iv. disbursements for Expenses, to the extent such amounts are not deducted from notional cumulative Net ROI.

B. Non-Principal shall be stated annually at the end of each Fiscal Year, showing the components of the annual calculations.

8. **Annual Calculation of QSF and Non-QSF.**

At the end of each Fiscal Year, the Settlement Funds Manager shall calculate the balances of the QSF and Non-QSF as follows: The values of the QSF and Non-QSF at the start of the prior Fiscal Year plus, for the prior Fiscal Year, amounts paid to the QSF and Non-QSF plus realized and unrealized returns on the QSF and Non-QSF (including interest, dividends, other investment income, and any realized or unrealized changes in the values of investments in the QSF) minus any amounts paid from the QSF and Non-QSF.

9. **Calculation of QSF ROI and Net ROI.** At the end of each Fiscal Year, the Settlement Funds Manager shall measure the QSF ROI, Principal Inflation Adjustment, and Net ROI. Net ROI shall be stated both for the Fiscal Year and cumulatively. Annual Net

ROI shall be calculated as the annual QSF ROI minus the Principal Inflation Adjustment.
Cumulative Net ROI shall be reduced by disbursements for Expenses from Net ROI .

10. **Authorization by DTSC for Disbursements.** The Settlement Funds Manager shall make all authorized disbursements, first from the Non-QSF to the extent funds are available, and subsequently from the QSF. Any such disbursements must only be made as specifically authorized and instructed pursuant to a Disbursement Authorization executed by DTSC. Such authorization shall specify the payee and type of payment, (a) Expenses or (b) Contingencies, which shall be recorded in a ledger maintained by the Settlement Funds Manager. Any requests for clarification or elaboration regarding a Disbursement Authorization must be directed to DTSC.

11. **Order of Use of Settlement Funds.** Before DTSC issues a Disbursement Authorization for reimbursement of Facility Operator Costs to the Facility Operator from the Settlement Funds, the Facility Operator shall demonstrate that ITELT's Post-Closure Insurance is depleted for the Facility. For Disbursement Authorizations from the Settlement Funds, Non-QSF funds shall be used before QSF funds, except as provided in Paragraph 12.E.

12. **Requests for Disbursements from the Settlement Funds.**

A. The Facility Operator may submit requests for reimbursement to DTSC, with a copy to the Participating Parties, for Facility Operator Costs as set forth in Section VIII of the Consent Decree (Facility Operator Work and Funding and Reimbursement for Facility Operator Work). The Facility Operator should indicate what portion of the request for reimbursement is Expenses or Contingencies.

B. Participating Parties may submit requests for reimbursement to DTSC for reasonable costs incurred pursuing Non-Settlers as set forth in Paragraph 100 of the Consent Decree (Reimbursement for Participating Parties Costs Incurred Pursuing Non-Settlers).

- C. The Settlement Funds Manager may submit requests for reimbursement to DTSC, with a copy to the Participating Parties, for the costs of administering the Settlement Funds or advances for the payment of taxes.
- D. DTSC may submit Disbursement Authorizations to the Settlement Funds Manager for reimbursement of its documented Future Response Costs, with a copy to the Participating Parties, as set forth in Section X of the Consent Decree (Reimbursement of DTSC Costs) and reimbursement of Past Response Costs, as set forth in Section VI of the Consent Decree (Obligations of Participating Parties). DTSC should indicate what portion of the authorized disbursement is Expenses or Contingencies.
- E. Where applicable statute or regulation requires or prohibits payment from a particular fund (e.g. for administration or taxes), funds will be reserved and only be drawn from the appropriate account.

13. **Categorization of Costs as Expenses and Contingencies for QSF Disbursements.**

Expenses are costs in connection with the Facility resulting from the routine and non-routine tasks and categories identified below. Contingencies are costs resulting from the circumstances identified below in connection with the Facility, and any other costs associated with post-closure or corrective action arising from or associated with the Facility that are not Expenses. Among other things, Expenses and Contingencies are intended to cover any and all Facility Operator Costs.

Expenses.	Contingencies.
Facility management, operation, maintenance, inspections and monitoring pursuant to the Permit, administrative costs of the Facility Operator, insurance costs	Corrective action and repairs related to acts of nature or third parties that impact the integrity of the containment, conveyance, and monitoring systems such as wildfires, flooding and erosion (excluding corrective actions underway as of the Consent Decree Effective Date, which are Expenses)
Continued implementation of existing corrective actions (e.g., the corrective action management units (A, B and liquids management system), DBA-V and related	New corrective actions related to new releases of contaminants; enforcement activity; penalties

Expenses.	Contingencies.
systems)as of the Consent Decree Effective Date	
Permit fees, renewal costs, other permit fees, and permit compliance costs	Damage from seismic events equal to or greater than \$3 million (in 2023 dollars) over any given 30-year period
Damage from seismic events less than \$3 million (in 2023 dollars) over any given 30-year period	Any other events agreed as contingencies between DTSC and Participating Parties
Participating Parties' documented costs incurred pursuing Non-Settlers	DTSC's Future Response Costs related to Contingencies
Repair, maintenance, upgrades or replacement of all existing corrective action as of the Consent Decree Effective Date, containment, treatment, liner, conveyance and monitoring systems and all related infrastructure, office/storage trailers, trucks, tractors, software systems, computers, and other equipment	A DTSC work takeover
Entrance/site road repairs, maintenance and replacement (as needed) of fencing, gate, signage, cameras, and locks	
Costs of administering the QSF or Non-QSF	
Any taxes on the QSF or Non-QSF	
Costs to provide Financial Assurances	
DTSC's Future Response Costs related to any of the above Expenses, other than those covered by the Permit Fees	

14. **Annual Budgeting for Expenses.**

- A. No later than March 1st of each year, (a) the Facility Operator will submit to DTSC and the Participating Parties a draft annual budget for the Facility Operator Costs (including Expenses and Contingencies, as appropriate) for the upcoming Fiscal Year, (b) Participating Parties will submit to DTSC a draft annual budget for the upcoming Fiscal Year for reimbursement of costs incurred pursuing Non-Settlers, (c) DTSC will submit an estimate of its Future Response Costs that have been incurred but not yet reimbursed and for which DTSC anticipates submitting for reimbursement in the upcoming Fiscal Year, and (d) the Settlement Funds Manager will submit a draft annual budget to DTSC and the Participating Parties for the upcoming Fiscal Year for the costs for administration of the Settlement

Funds and taxes imposed on the Settlement Funds, if any. As feasible, and for informational purposes only, the Facility Operator will also identify long-term maintenance items planned for the next five years, with cost estimates if available. Participating Parties will combine the budgets submitted pursuant to (a), (b), (c), and (d) into a consolidated draft annual budget and provide to DTSC.

B. DTSC and the Participating Parties shall provide in writing any disputes regarding the consolidated draft annual budget within two (2) months of receipt of the draft consolidated annual budget, and shall use best efforts to address any disputes within four (4) months thereafter pursuant to the dispute resolution procedures of the Consent Decree.

C. Participating Parties and DTSC shall use best efforts to finalize the annual budget before the start of each Fiscal Year, and the Facility Operator, DTSC and Participating Parties shall use best efforts to adhere to such budget.

15. **Calculations for Eligible Withdrawals from the QSF for Expenses.** Within two (2) months after each Fiscal Year by October 31st, the Participating Parties, based on information from the Settlement Funds Manager, shall calculate Non-Principal and Net ROI amounts for the past Fiscal Year and report such calculations to DTSC. In any given Fiscal Year, the total amount of Non-Principal and cumulative Net ROI as of the end of the prior Fiscal Year is available for Expenses, or for Contingencies if the Participating Parties so elect, subject to DTSC Disbursement Authorization. Payments from the QSF for Expenses, or Contingencies if so elected, reduce the total Non-Principal and cumulative Net ROI, as applicable. Any disbursement amounts for Contingencies which Participating Parties elect to reduce Non-Principal or Net ROI shall be treated as Expenses and shall not reduce Principal or be subject to replenishment payment calculations.

16. **Participating Parties' True-Up Obligations.**

- 1 A. The Participating Parties must make annual true-up payments into the QSF for
2 any shortfall between (i) Non-Principal plus cumulative Net ROI at the end of the
3 prior Fiscal Year and (ii) Expenses budgeted for the current Fiscal Year (except to
4 the extent ITELT's Post-Closure Insurance for the Facility is available to pay such
5 Expenses).
- 6 B. The Participating Parties must make annual replenishment payments into the QSF
7 equal to the total disbursements applied to Principal over the past Fiscal Year.
- 8 C. If the amount available in the Settlement Funds other than Principal is not
9 sufficient to reimburse DTSC for the second payment of its Past Response Costs,
10 Participating Parties must make a payment into the QSF in an amount sufficient to
11 pay DTSC for the second payment.
- 12 D. At the end of the fifth (5th) Fiscal Year, and once every five (5) Fiscal Years
13 thereafter, the Participating Parties shall compare the combined balance of the
14 Settlement Funds to the Principal amount and provide in writing those values and
15 underlying supporting information to DTSC. If, as of the end of that Fiscal Year,
16 the balance of the Settlement Funds is less than the Principal amount (including
17 the amounts paid into the Principal and the cumulative Principal Inflation
18 Adjustment), the Participating Parties must pay the difference into the QSF.
19 pursuant to Paragraph 16.F.
- 20 E. Based on information from the Settlement Funds Manager, with a copy of such
21 information to DTSC, the Participating Parties shall be responsible for calculating
22 (i) the annual amount of any true-up payment, as set forth in Paragraph 16.A, (ii)
23 the annual Principal replenishment payment , as set forth in Paragraph 16.B, (iii)
24 the amount of any obligation to make a payment into the QSF to pay DTSC's Past
25 Response Costs, as set forth in Paragraph 16.C, and (iv) the amount, if any,
26 measured at the end of every five (5) Fiscal Years by which the total balances of
27 the QSF and Non-QSF are less than the Principal as set forth in Paragraph 16.D.

1 The Participating Parties shall make its calculations and supporting information
2 available to DTSC, which may dispute any such calculations and make its own
3 determinations of such obligations.

4 F. Unless agreed to in writing by DTSC, the Participating Parties must make the
5 payments required by Paragraph 16.A, 16.B, and 16.D, no later than January 31st
6 for that current Fiscal Year.

7 **17. Disputes Regarding Annual Budgets, True-Up, and Principal Replenishment**
8 **Obligations.**

9 A. If the parties are unable to finalize a consolidated annual budget pursuant to the
10 dispute resolution procedure by December 1st of any Fiscal Year and the
11 Participating Parties would have a true-up payment obligation, as set forth in
12 Paragraph 16.A based on DTSC's determination of that obligation, Participating
13 Parties must make the true-up payment. If, after resolution, the Participating
14 Parties' true-up payment obligation is eliminated or reduced, Participating Parties
15 may submit a request for reimbursement of that amount from the Settlement
16 Funds to DTSC for approval. DTSC will promptly submit a Disbursement
17 Authorization in that amount to the Settlement Funds Manager.

18 B. If the parties are unable to reach a resolution by December 1st of any Fiscal Year
19 regarding the amount of any annual true-up payment obligation, as set forth in
20 Paragraph 16.A, or annual Principal replenishment payment obligation, as set
21 forth in Paragraph 16.B, pursuant to the Dispute Resolution Procedure set forth in
22 the Consent Decree, the Participating Parties must pay DTSC's determination of
23 the annual true-up payment obligation and/or annual principal replenishment
24 payment obligation, as applicable, into the QSF. If, after resolution, the
25 Participating Parties annual true-up payment obligation and/or annual principal
26 replenishment payment obligation, as applicable, is eliminated or reduced,
27 Participating Parties may submit a request for reimbursement of that amount from

the QSF to DTSC for approval. DTSC will promptly submit a Disbursement Authorization in that amount to the Settlement Funds Manager.

18. **Calculations for Eligible QSF Withdrawals for Contingencies.** At any given time, the Principal is the amount available for Contingencies, only, except the Principal shall be available to DTSC to use if it is accessing the Principal for financial assurance. The Participating Parties shall calculate annual Principal and the annual Principal Inflation Adjustments based on the ledgers of deposits and disbursements, and an annual inflation adjustment factor from the Settlement Funds Manager. Payments from the QSF for Contingencies reduce the amount of the Principal, unless such disbursements for Contingencies are applied to Non-Principal or Net ROI, as set forth in Paragraph 15. Replenishment payments, as set forth in Paragraph 16.B, increase the amount of the Principal.

19. **Unanticipated Intra-Year Funding Requirement.** If at any time unanticipated Expenses or Contingencies occur that cause the Settlement Funds Manager, the Facility Operator, or DTSC to anticipate that available Settlement Funds will not be sufficient to pay Facility Operator Costs or other required disbursements from the Settlement Funds, such party shall provide notice to DTSC, the Facility Operator and the Participating Parties, as applicable. Upon such notice, the Facility Operator, Settlement Funds Manager, or DTSC will provide an updated budget to reflect additional funds needed before the next true-up or replenishment payment will be received pursuant to Paragraph 16 of this QSF Agreement, including an allowance for the time needed to receive and process such payment. Participating Parties must, within 60 days (or sooner if required for continued Facility Operator Work), pay to the QSF the additional funds as a replenishment or true-up payment. If the Participating Parties dispute the updated budget, DTSC, the Participating Parties and the Facility Operator will meet and confer in an effort to resolve the dispute. In all instances, the Participating Parties must pay amounts to the QSF to ensure sufficient funds to secure continued performance of all

Facility Operator Work and other required payments from the Settlement Funds. If, after resolution, the Participating Parties true-up or replenishment obligation is eliminated or reduced, Participating Parties may submit a request for reimbursement of that amount from the QSF to DTSC for approval. DTSC will promptly submit a Disbursement Authorization in that amount to the Settlement Funds Manager.

20. **Authority/Control of Disbursements.** Notwithstanding any statement to the contrary herein, no disbursement shall be made from the Settlement Funds without a written Disbursement Authorization by DTSC.

21. **Timing of Disbursement Requests.** Upon receipt of a Disbursement Authorization, the Settlement Funds Manager shall pay the amount approved by DTSC from the Settlement Funds to such designated payee's accounts, as specified in the Disbursement Guidelines, as promptly as reasonably practicable. The Settlement Funds Manager shall maintain sufficient funds in instruments that allow for immediate access to funds anticipated to be needed for disbursements, based on the budget and other information from the Facility Operator and DTSC.

22. **Disbursement Obligations.** The Settlement Funds Manager shall make disbursements hereunder solely from funds then on deposit in the Settlement Funds, and shall have no obligation to make any payments to the extent that sufficient funds are not available in the Settlement Funds.

23. **Security Controls.** The Settlement Funds Manager shall establish and follow reasonable and effective internal control and security protocols to ensure that disbursements from the Settlement Funds are made only pursuant to and consistent with DTSC's Disbursement Authorizations.

24. **Statements of Settlement Funds Balances and Activity.** Within fifteen (15) days after the end of each month, the Settlement Funds Manager shall make available to the Participating Parties and DTSC, and to any other interested parties from time to time designated by the Participating Parties, a monthly activity statement with respect to the

1 Settlement Funds for the prior month. The statement shall report, if any, all Settlement
2 Funds investment activity and all receipts and disbursements of funds that took place
3 since the date of the last Settlement Funds activity reflected in the prior monthly activity
4 statement including QSF and Non-QSF balances and ROI. Annual statements must
5 report the following notional amounts: Principal, Principal Inflation Adjustment, Net
6 ROI, cumulative Net ROI, and Non-Principal, and any payments required to be made by
7 the Participating Parties to QSF. Notwithstanding the prior sentence, DTSC and the
8 Participating Parties may, in the discretion of each, agree on a less frequent reporting
9 schedule.

10 25. **Certified Statements.** Within ninety (90) days after the end of each Fiscal Year, the
11 Settlement Funds Manager shall distribute to the Participating Parties and DTSC and to
12 any other interested parties from time to time designated by the Participating Parties a
13 certified annual statement including QSF and Non-QSF balances, activity, ROI, and
14 notional amounts as set forth in Paragraph 24 with respect to the Fiscal Year just ended.
15 The certified annual statement shall reflect, without limitation, all material investment
16 activity, any change in value of any investment of the Settlement Funds, all monies
17 received into and disbursed from the Settlement Funds in the preceding calendar year and
18 the following notional amounts: Principal, Principal Inflation Adjustment, Net ROI,
19 cumulative Net ROI, and Non-Principal. The Settlement Funds Manager is hereby
20 authorized to hire, at the expense of the Settlement Funds, an outside firm satisfactory to
21 DTSC, whose consent will not be unreasonably withheld or delayed, to prepare and
22 certify such annual statements.

23 26. **Taxes.** The Settlement Funds Manager shall make arrangements for the filing of all
24 required federal and state tax returns for the QSF and Non-QSF. Any payments required
25 to be submitted with federal and state tax returns shall be paid from the Settlement Funds,
26 pursuant to a Disbursement Authorization by DTSC. The Settlement Funds Manager
27 hereby is authorized to hire, at the expense of the Settlement Funds, an outside firm to

1 prepare and to file such tax returns. The Settlement Funds Manager shall treat the QSF
2 for federal and state tax purposes as a qualified settlement fund exempt from taxation by
3 the Internal Revenue Service and the California Franchise Tax Board pursuant to Section
4 468B(g)(2) of the Internal Revenue Code of 1986 as amended, except as, and solely to
5 the extent, otherwise required by law.

6 27. **DTSC Reporting Requirements.** In addition to the Monthly Statements and Certified
7 Annual reporting, the Settlement Funds Manager will cooperate to provide any
8 information DTSC reasonably requires regarding the Settlement Funds.

9 28. **Duty to Retain Records.** The Settlement Funds Manager shall maintain and preserve,
10 consistent with generally accepted industry practices in the United States (unless DTSC
11 approved in writing a different industry practice as proposed by the Settlement Funds
12 Manager), accurate documentation and data (including, but not limited to, electronic
13 records, books of account, correspondence, memoranda, receipts, and documentation of
14 related systems and controls) pertaining to the performance of all services contemplated
15 to be provided under this QSF Agreement. The provisions of this Paragraph 28 shall be
16 applicable during the term of the QSF Agreement and for a period of three (3) years
17 following the termination of the Settlement Funds.

18 29. **Right to Inspect.** The Settlement Funds Manager shall permit DTSC or any Participating
19 Parties or their authorized agents and representatives to have access to its books, records,
20 offices and work locations upon reasonable prior notice and during normal working hours
21 to examine, reproduce and retain copies of all relevant documentation and data and to
22 interview relevant personnel, in order for DTSC and Participating Parties to verify, audit
23 and monitor (i) the accuracy and propriety of the price of all services provided under this
24 Agreement, (ii) the existence and effectiveness of the internal controls and other business
25 practices relevant to the services provided and payments made with respect thereto
26 hereunder, and (iii) the compliance with the terms of this Agreement.

- 1 30. **No Authority to Conduct Business.** The purpose of the Settlement Funds is limited to
2 the matters set forth herein. This Agreement does not confer upon the Settlement Funds
3 Manager any authority to conduct business on behalf of or in the name of the
4 Participating Parties or any other party hereto or, except to the extent expressly provided
5 herein, to act in the capacity as an agent or representative of any party hereto or their
6 respective affiliates.
- 7 31. **Alterations, Amendments and Replacement.** This QSF Agreement may be altered,
8 amended, or replaced from time to time only by an instrument in writing executed by
9 DTSC and the Participating Parties. Any such alteration, amendment, or replacement
10 shall not require Court approval. Once fully executed, the Participating Parties shall file
11 notice of the modification with the Court. The modification shall not be effective until
12 notice is filed with the Court. Notwithstanding the foregoing, no such alteration,
13 amendment, or revocation may conflict with or modify in any respect the obligations of
14 the respective parties under the Consent Decree.
- 15 32. **Survival.** The QSF and Non-QSF may survive the termination of the Consent Decree.
16 After the termination of the Consent Decree, DTSC may terminate the QSF or Non-QSF
17 with written notice to the Participating Parties. Upon termination, any remaining funds in
18 the QSF and Non-QSF shall be, and shall remain, the property of the State of California
19 and shall be used solely for post-closure operations and/or environmental response and/or
20 remedial actions for the Facility to the extent necessary.
- 21 33. **Interests Not Assignable or Subject to Claims of Creditors.** The interest of any Party
22 in the QSF or Non-QSF shall not be subject to attachment or assignment or be subject to
23 the claims of any creditor of any Party.
- 24 34. **Notices.** Whenever, under the terms of this QSF Agreement, written notice is required to
25 be given or a report or other document is required to be sent by one Party to another, it
26 shall be directed to the individuals at the addresses specified below, unless those
27 individuals or their successors give notice of a change to the other Parties in writing. All

1 notices and submissions are considered effective upon receipt unless otherwise provided.
2 Upon ten (10) calendar days' notice to the other party, a party to the Consent Decree may
3 substitute another person for an addressee named above to receive notifications or
4 communications as required or provided for in this QSF Agreement. Written notice as
5 specified herein constitutes complete satisfaction of any written notice requirement of the
6 QSF Agreement with respect to DTSC and the Participating Parties, respectively.

APPENDIX C

PAYMENT CALCULATION FOR CASHOUT PARTIES

Each Cashout Party shall pay a cashout amount to the QSF based on the following calculation:

Ref.	Item	Description	Amount
(A)	Basis	DTSC's Cost Calculation for All IT Sites	\$301,489,836
(B)	Facility	DTSC's Cost for the Facility	\$151,676,518
(C)	Subtract	ITELT's Remaining Post-Closure Insurance for the Facility as of FY 2023 (4/30)	\$1,654,203
(D)	Net	Adjusted Facility Costs [(B)-(C)]	\$150,022,315
(E)	Tonnage	Total Tonnage for the Facility	1,079,320.66
(F)	Tons	Tonnage for Cashout Party	# Tons
(G)	Share %	Party's Share of Total Tonnage	[(F)/(E)] %
(H)	Share \$	Party's Share of Facility Costs	\$ [(D)x(G)]
	Subtract	Party's CERCLA Recoverable Expenses	\$# RE
	Net Share \$	Party's Share Net of Recoverable Exp.	(H) = \$ [(D)x(G)] – \$# RE
(I)	Premium	DTSC's Cashout Premium Percentage	100%
(J)	\$ w/ Prem.	Net Share with Premium	\$ [(H)x(1+I)]
(K)	Basis	DTSC's Past Oversight Costs for All IT Facilities	\$2,000,000
(L)	Facility Share	DTSC's Past Oversight Costs for the Facility	\$619,866
(M)	Share \$	Party's Share of Oversight Costs	\$ [(G)x(L)]
(N)	Cashout \$	Cashout Amount	\$ [(J) + (M)]

APPENDIX D

AMOUNT OF FINANCIAL ASSURANCE

The Facility's Financial Assurance amount is calculated as follows:

Ref.	Item	Description	Amount
(A)	Basis	Initially, Financial Assurance amount per the Permit as stated in DTSC's Summary of Financial Responsibility Findings, July 28, 2016, and then as revised per this Appendix D*	\$28,037,465
(B)	Subtract	ITELT's Remaining Post-Closure Insurance for the Facility as of ITELT's Fiscal Year-End (4/30) 2023	\$1,654,203
(C)	Net	Supplemental Financial Assurance for the Facility to be Assured by the Facility Operator [(A)-(B)]	\$26,383,262

It is agreed that future Financial Assurance calculations in Row (A) shall be made using a thirty- (30-) year forecast (using a present value calculation if not inconsistent with then-existing state statutes and regulations). Such calculation shall be made in conjunction with Permit renewals, expected every ten (10) years, and at other times per the then-existing regulations that apply to Financial Assurance. Such calculations in Row (A) shall use the then-existing regulations that apply to Financial Assurance for Post Closure and Corrective Action, approved by DTSC. Row B shall also reflect the then-current values for ITELT's Remaining Post-Closure Insurance for the Facility (if any). Row C shall also incorporate the then-current values in Rows A and B.
